### **FIVE MILE RESTROOMS CLOSED FOR REPAIR AND MAINTENANCE**

Beginning the week of August 29, and continuing through mid to late September, City staff will be performing repair and maintenance work on the Five Mile Restrooms. The work to be done includes fresh paint, exterior and roof repairs, new hand dryers, replacing broken lights and plumbing fixtures, and a thorough cleaning. A water efficient irrigation system and new landscaping are scheduled to be installed in 2017.

Whenever possible, staff will keep one restroom open for park users. In addition, porta-potties will be available onsite while work is being performed.

This work has been made possible with Park Facility Improvements funding that the Chico City Council approved in its 2016-2017 budget.

If you would like more information about this topic, please contact Shane Romain or Dan Efseaff at 530-896-7800 or email [parkinfo@chicoca.gov](mailto:parkinfo@chicoca.gov).
