New City Plaza Fountain Hours of Operation

This summer, the Downtown City Plaza fountain will be in operation daily from 12:00 p.m. to 7:00 p.m. However, hours of operation are subject to change based on scheduled Plaza events or if repairs are necessary.

Previously, the City Plaza fountain operated daily from 9:00 a.m. to 11:00 p.m. The fifty-percent reduction in hours reduces overall water use, while still providing a cooling benefit for citizens seeking relief from the heat. The fountain is a closed system that recycles water through an underground vault during operation and experiences minimal water loss.
