Horseshoe Lake Gate Hours Restored

On Tuesday, July 21, 2015, the gate on Upper Park Road at Horseshoe Lake was restored to its regular schedule. The gate is now open to vehicles Tuesdays through Saturdays, from 7:30 a.m. to 9:00 p.m., and closed Sundays and Mondays to allow for pedestrian, bicycle, and equestrian access.

Recent Council action to shift a seasonal Park Ranger to a full-time position, along with a new security vendor contract, allows the Park Division to return to the regular gate schedule while maintaining Ranger patrol of the area.

Park visitors are reminded to pack out all trash and to park only on designated areas to minimize impacts. The Park Volunteer Program will be hosting trash pick-up sessions this summer. Citizens interested in volunteering should contact the Park Division.

The gate at the Diversion Dam of Upper Park Road remains closed. The gravel road past that point suffered damage from heavy rain events in the fall of 2012 and is not safe for vehicular access.
