SR32 Widening Project (Phase 2)

Volume 4

August 12, 2016

State Route 32 Widening Project (Phase 2) Update

Introduction

Following is the construction update newsletter for the SR32 Widening Project (Phase 2). The purpose of these updates is to share detailed information regarding schedule and construction activities anticipated for the upcoming week(s). If you do not wish to receive updates, you may opt out by sending staff a quick e-mail with that instruction. Alternatively, if you know of other interested parties that would appreciate being added to the list, please send an email request to: update32@chicoca.gov

Southbound Fir Street Closure - Week of August 15th

Sometime as early as the week of August 15th, the southbound lane of Fir Street between east and west bound SR32 will be closed to traffic. No south bound traffic will be allowed. This will be a permanent traffic pattern change. Fir Street will be open for north bound traffic only. Please pay attention to construction area signs and delineation at all times. Motorists are encourage to seek alternate routes and allow adequate time in their schedule. Access to Fir Street/Humboldt Avenue can be made from Forest Avenue or by southbound SR99/SR32 Couplet to eastbound SR32 to Fir Street (SEE ATTACHED GRAPHIC).

Temporary Traffic Signals, Concrete Removal and Traffic Shifts

The Contractor continues installation of temporary signalization, removal of existing concrete, placement of aggregate base/concrete and building behind concrete barrier (k-rail). Minor traffic shifts and daytime lane closures should be expected.

Minor traffic delays should be expected. Access to all residences and businesses within the construction zone will be maintained throughout the duration of the project. Please be sure to travel through the area with caution, paying attention to revised traffic alignments, signing and devices. Other safety tips include:

- ✓ Drive slowly and carefully through the construction area.
- ✓ Be alert for construction workers and large equipment, such as backhoes, graders and trucks.
- ✓ Obey all construction signs and directions from traffic control flaggers.

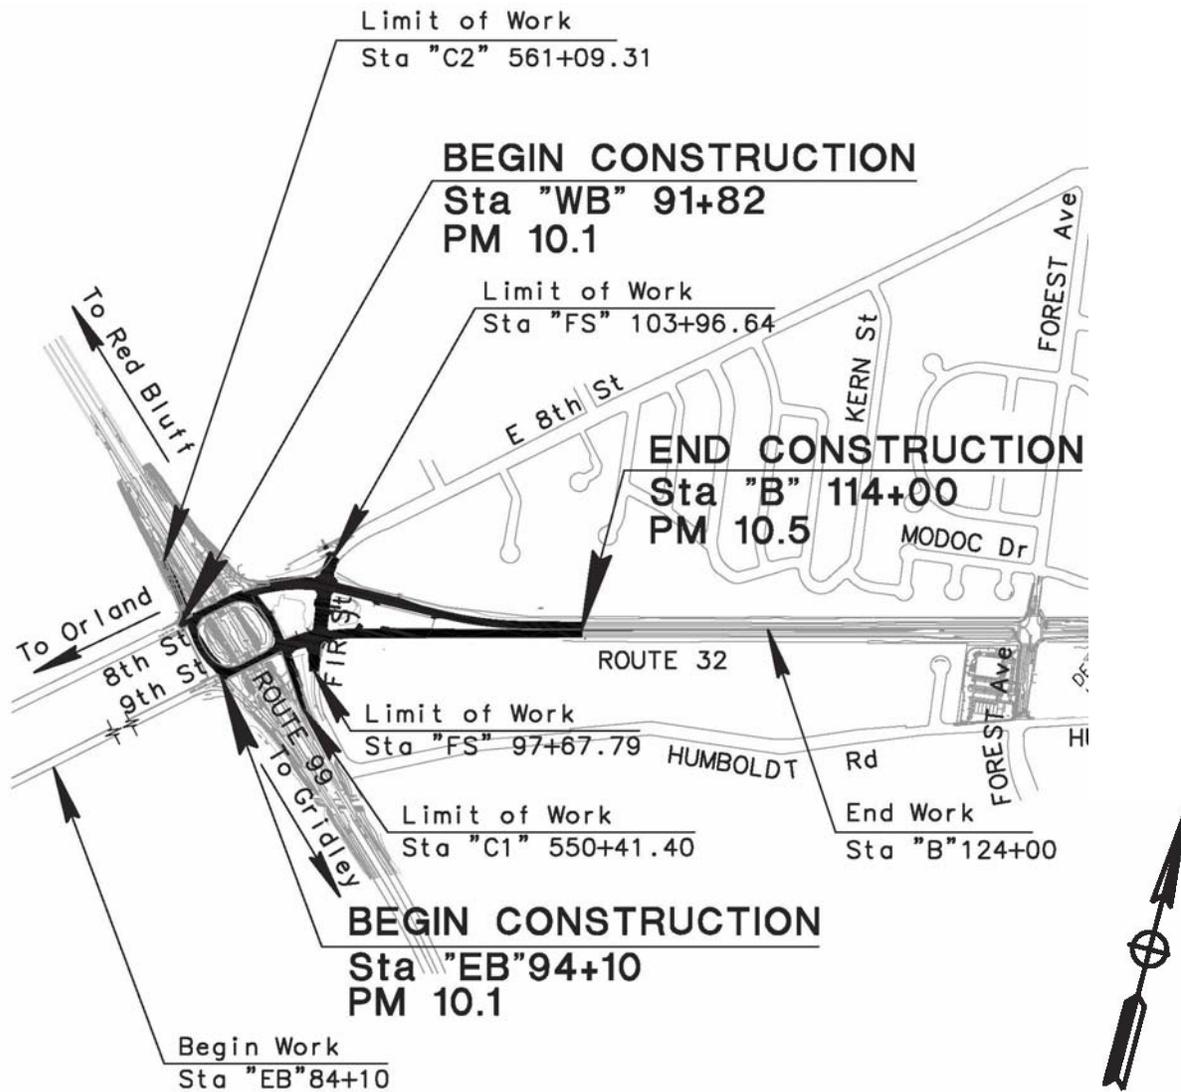

The City appreciates your patience and understanding during the project. Please feel free to contact City staff or the Contractor should you need additional information. The Contractor will notify residents & businesses prior to the commencement of any construction activities that may affect or is in the immediate vicinity of their property. For more information, please refer to the City Capital Project Services website at www.ci.chico.ca.us Pull down the Departments drop down menu and select Capital Project Services. The same web page can be accessed at the following link:
