

SW Community Design Action Group

06/29/09

Meeting Notes

1. The group discussed the draft design objectives for residential designations in the Design Guidelines Manual.
2. It was decided that the group would wait until the Design Guidelines Manual is adopted by the City Council, presently anticipated by late fall, before continuing discussions.
3. The group wants to review and compare the proposed SW guidelines with the Manual to determine what (if any) design objectives desired by the SW neighborhood are not already addressed by the Manual.
4. The next meeting will be scheduled after the Manual is adopted by the City Council.
