## Action groups to begin work on Avenues Neighborhood projects.

Now is a perfect opportunity to get involved in turning the Avenues Neighborhood Plan priorities into reality!

At the following kickoff meetings, we will be setting work plans and schedules for the projects each Action Group will be working on. At each meeting we will also identify the neighborhood point person for the Action Group and introduce City staff who will be working on the projects. Some topics are being combined for the kickoff meeting in the interest of efficiency. Please join your neighbors in implementing the Avenues Neighborhood Improvement Plan.
