

Enloe Area Action Group Meeting Summary
June 25, 2008
5:00 PM
Conference Room 2, City Council Chambers

At the meeting, Kasey Merrill and Bill Seguire will jointly serve as point persons for this action group.

Cost Estimates. Order of magnitude cost estimates were reviewed for each project.

- a) 6th & Arcadian: traffic calming
- b) Arcadian between 6th & 7th: curb, gutter, sidewalk
- c) 6th between Arcadian & Citrus: curb, gutter, sidewalk
- d) 7th between Arcadian & Magnolia: curb, gutter, sidewalk
- e) 7th between Magnolia & Esplanade: curb, gutter, sidewalk (north side to alley)
- f) Magnolia between 7th & 8th: street, curb, gutter, sidewalk
- g) South side of 5th from alley to Arcadian: curb, gutter, sidewalk

The total cost to make all of the improvements is estimated to be in the range of \$1,000,000. Enloe is obligated to pay \$450,000 for traffic calming and street improvements in the vicinity of the Enloe campus. Therefore, the amount of Avenues Neighborhood funding that it would take to complete all of the improvements above is approximately \$550,000.

The Action Group voted to proceed with the design process which will allow accurate estimates or even construction bids to be obtained on an additive alternate basis. The group will meet again when the design is completed and the revised cost information is available.

To learn more, please plan to attend the next meeting or contact one of the staff contacts on the action group roster.
