CAPER ACRES CLOSURE FOR RENOVATIONS

Beginning Thursday, March 2, the area north of Birthday Ring #1 in the Caper Acres playground will be closed to begin work on Phase I of the Caper Acres Renovation Project. The rest of the Caper Acres playground will remain open and accessible during normal playground hours throughout the course of this construction.

Phase I of the Caper Acres Renovation Project will add new features to the swing-set area and new pathways to the playground. In addition, landscaping and infrastructure improvements and installation of new play equipment are scheduled for this summer. Other areas of the playground may be subject to periodic closures due to the work being performed.

Completion of Phase I of the Renovation Project is projected for summer 2017. The replacement of the Crooked House will follow this first phase.
