EATON ROAD EXTENSION PROJECT COMPLETED

The City of Chico is pleased to announce the completion of the Eaton Road Extension Project connecting Marigold Avenue and the Manzanita Avenue roundabout at Wildwood Park. This new portion of Eaton Road will be open to through traffic beginning Monday, April 22, 2019.

The new connection will provide direct access between northwest and northeast Chico as well as ease traffic congestion on East Avenue and provide additional access to Upper Bidwell Park. Project elements include new roadway construction and striping, buffered bike lanes, sidewalk and sewer installation, street lighting and landscaping. Project funding was a collaboration between the City of Chico and local developers.

The City would like drivers and pedestrian to be aware of the new traffic pattern and proceed with caution in this area. For more information about this project please call the City's Engineering Division at 530-879-6900.
