April 17, 2017

NEW STATE ROUTE 32 TRAFFIC SIGNALS AT FIR STREET

Unless delayed by rainy weather, starting Thursday, April 20, two new traffic signals will begin operation near the Park and Ride lots at the intersections of Fir Street with State Route 32 (East 8th and East 9th Streets). The signals are expected to be fully operational sometime between 10:00 a.m. and 1:00 p.m. Thursday. The City would like drivers to be aware of the new traffic signals and traffic patterns and proceed with caution in this area.

Additional information can be obtained at
