NARRATIVE:

CPD officers have been receiving information of illegal activity at the listed location. This location, specifically Apartment B, is part of a duplex with single family dwellings. The illegal activity, dating back to the beginning of the year, includes incidents such as warrant services, transient problems, refusing to leave and possible narcotics violations. These types of repeated calls for service at a specific location tax the resources of the police department.

CPD also received information about this residence via the website Nextdoor. This website has allowed residents in different areas of the city to interact with CPD officers and inform them of issues in their respective neighborhoods. On 11/10/15, CPD and Butte County Probation officers responded to the residence and arrested the above subjects for various violations. The property owner has been very receptive to the needs of CPD and the surrounding neighbors.

CPD appreciates the continued cooperation with the neighbors via Nextdoor as well as the property owner to eliminate this problem residence. CPD will continue to be proactive in the area to minimize the issues surrounding this residence.
