**Narrative:** Chico Police were called to the area of W. 1<sup>st</sup> Avenue and N. Cedar Street on a report of a shooting. Officers arrived and saw a large party that was dispersing from a nearby apartment complex. As party-goers left the scene, an area check was made for any victims or evidence of a shooting. Several expended shell casings were located in the intersection of W. 2<sup>nd</sup> Avenue and N. Cedar Street. A canvas of parked vehicles and structures was conducted and a bullet hole was found in a nearby apartment window. The tenant of that apartment did not answer the door and officers made entry to determine if there were any victims inside. Fortunately, the tenant was not at home when the shooting occurred. It appeared the bullet entered the bedroom window and traveled through an interior wall and came to rest on the dining room floor. Anyone with information about this shooting is encouraged to contact Chico Police Department at 897-4911.
