PRESS RELEASE

530-897-4900

Type of Incident: Halloween, 2016 Statistics

Location of Incident: Chico Area

Operational Period: 10/28/2016 – 10/31/2016

Narrative: The Chico Police Department is releasing the following statistics regarding the number of arrests and citations during the operational period described above. The data was compiled from booking information and after action reports from field/team supervisors. The data regarding student and resident status is based upon information provided by the arrestee at the time of booking. It is worth noting that these arrest statistics reflect activity citywide.

The four day Halloween Operations Event was active for law enforcement and public safety in general in the City of Chico. As expected both Friday and Saturday nights of the Halloween Operational Period were active, with large crowds in the South Campus area of Chico. Arrest numbers were lower than 2015, which may have been due to inclement weather. Chico Police Dispatch Center received 1616 calls for service over the Halloween Operational Period.

Despite the activity level the City of Chico did not experience any significant reported violent crime.
