

CHICO POLICE DEPARTMENT

PRESS RELEASE

530-897-4900

TYPE OF EVENT: Nord corridor and south campus safety meeting

NARRATIVE:

On Thursday, December 3rd at 1215 hrs, Chico Police Chief Mike O'Brien joined CSU Chico Police Chief John Feeney, members of city and university staff and several community members at Azad's Martial Arts Family Center at 313 Walnut for the 4th safety meeting held in that neighborhood.

These meetings, organized by Team Chico and the Chico Chamber of Commerce are an opportunity for Police and City/University Staff to connect with the community and to share information.

A number of topics were discussed on Thursday. Police were able to report on the progress of projects identified during some of our previous neighborhood meetings. This included detailing some of our recent clean-ups and enforcement activity along the railroad tracks, crime prevention projects in the neighborhood and a discussion regarding our current efforts at educating the community regarding new ordinances.

The Police Department is grateful for the leadership of Team Chico in coordinating these on-going meetings and see this as a great example of the power of building partnerships and increasing the public's access to their Police Department
