Chico Police Department Set to Launch New & Improved Mobile Application

-- Stay Connected to Law Enforcement 24/7 --

Chico, CA – Personnel at the Chico Police Department are on duty 365 days a year providing public safety services around the clock for Chico citizens. In ongoing efforts to assist residents stay connected to the men and women who serve and protect, the Chico Police Department announces the launch of a new and improved application for mobile devices. The newly designed mobile application, with upgraded features, will go live Sunday, April 30, 2017 shortly after 6:00 AM for Apple and Android mobile systems.

“We are proud of the law enforcement services we provide to the Chico community,” said Chico Police Chief Michael O’Brien. “This new upgraded mobile application is an extension of the department’s commitment to community policing. It will allow our officers to be even more responsive to our residents, business owners and visitors.”

Current users of the Chico Police Department mobile application are advised it is necessary to save all personal information previously submitted to the property module portion of the system prior to the launch of the new system. The final day to save this information is Saturday, April 29, 2017, at 11:59 PM; one day before the system upgrade. Serial numbers or photos stored in the current application will be lost once the new app is updated.

With the improved mobile application, reaching local Chico police officers and department personnel for help and information 24/7, will be as easy as tapping the screen of your phone or tablet. An easy-to-navigate home screen will allow users to access the following information:

- Public safety tips and information
- Report an incident
- Connect directly to staff members via a department directory
- Stay up to date on the latest department-related news
- View a calendar of upcoming events
- Connect to Animal Control
- Submit feedback
- Find answers via Frequently Asked Questions

The Chico Police Department encourages all Chico residents to download the new and improved Chico Police Department mobile application directly from the App Store on their phones or tablets.
