Skateboarding and riding bicycles on sidewalks in downtown Chico

The Chico Police Department would like to remind the public the Chico Municipal Codes *10.45.030* and *10.40.090* prohibit riding a skateboard or a bicycle on the sidewalks in the Downtown Central Business District between Salem Street and Wall Street, and 1st Street to 5th Street.

Riding skateboards and bicycles on the sidewalk creates a significant safety hazard for pedestrians during the busy holiday season, and could lead to serious injury in the case of an accident.

The Chico Police Department will be enforcing the codes, and violators riding bicycles and skateboards downtown will be issued a citation.
