PRESS RELEASE

530-897-4900

The Chico Police Department would like to see these numbers decrease. This number does not take into account outside agency arrests and citations within the city jurisdiction. We also want to remind everyone of the Chico Municipal Code Ordinances which apply to Unruly Gatherings & Participation and Noise Complaints. We encourage everyone to have fun and enjoy their weekends; we just ask everyone do it with these three attributes in mind:

1. Respectful: Respect your community, your neighbors, those you represent, and any Law Enforcement Officer you come into contact with.
2. Responsible: Always be responsible for your actions, those you invite into your home, and decisions which may affect you or someone else's life.
3. Safe: Please keep safety in mind during and after your events, which includes the return trip home.

The Chico Police Department is committed to ensuring our community is a safe place to live, work, and recreate within!
