ON-THE-JOB TRAINING PROGRAM

The On-The-Job Training (OJT) program provides workforce solutions for businesses by providing employers with a predetermined wage reimbursement for an open position filled by one of our qualified applicants. Reimbursement of 50-100% of the trainee's wage rate during the training period defrays training expenses and helps maintain productivity. OJT's assist businesses in training and retaining skilled, productive workers.

BENEFITS OF OUR OJT PROGRAM:

- Add to your existing workforce
- Candidates outside of AFWD can still qualify
- Invest money back into your business
- Train your employees your way
- Continue to grow your business
