This notice serves as the required notice of the City’s planned closure of public property / enforcement of its Anti-Camping Ordinances and Regulations pursuant to Paragraph 10(c) of *Warren, et al. v. City of Chico, et al.* Settlement Agreement.

Location of Public Property 1: Triangle (S. Humboldt Ave. / E. Pine St. / W. Cypress St.), as indicated on the attached Triangle Map.

The City has determined there are eight (8) people camping at this location. Of those people, four (4) have been assessed during a prior enforcement operation. Further, there are four (4) abandoned or unoccupied campsites at this location.

Location of Public Property 2: W. 9th St. / Hazel St., as indicated on the attached W. 9th St. / Hazel St. Map.

The City has determined there are seven (7) people camping at this location. Of those people, two (2) have been assessed during a prior enforcement operation. Those two (2) persons should not be included in the count because they have already refused shelter or have been exited from a shelter due to behavioral problems. Further, there are five (5) abandoned or unoccupied campsites at this location.

Location of Public Property 3: Lindo Channel (River Bend Loop to Manzanita), as indicated on the attached Lindo Channel Map.

The City has determined there are thirty-seven (37) people camping at this location. Of those people, seven (7) have been assessed during a prior enforcement operation. Those seven (7) persons should not be included in the count because they have already refused shelter or have been exited from a shelter due to behavioral problems. Further, there are twenty-three (23) abandoned or unoccupied campsites at this location.

The City will provide the “7-DAY NOTICE OF CLOSURE OF PUBLIC PROPERTY/ENFORCEMENT OF CAMPING ORDINANCES” to all Homeless Persons at this location on June 11, 2024. Further, the City requests LSNC meet with the Target Team to verify counts and confirm the location of enforcement prior to June 11, 2024. If LSNC disagrees with the City’s count and contends there are too many people camping at these locations than there are beds available, the City proposes beginning enforcement operations and will stop enforcing on persons at this location who cannot enter shelter because one of the shelters has become fully occupied.

The City has determined there are seventeen (17) available Pallet Shelters. Three (3) of those Pallet Shelters are available ADA units.

The City has determined there are thirty-one (31) available beds at the Torres Community Shelter. Twenty-four (24) of those beds are in the men’s dorm, seven (7) are in the women’s dorm, and zero (0) are in the gender-neutral dorm.
