Fiscal Year 2021-22 Monthly Report for the period ending: February 28, 2022

Department Contact: Steve Standridge, Fire Chief

Purpose: The purpose of the review is to identify any expenditure trends which would hinder a department's ability to meet their approved budget targets or to highlight any trends of interest for the governing body. Budget overages are monitored and controlled at the category level, not object (account) level. Therefore, the analysis considers the category level.

Overall Summary: The areas requiring explanation are listed below.

Items of Interest:

Item #1

Location:

Fund/Dept 001-410 – Fire Reimbursable Response

Expenditure Item:

Category 4000 – Salaries and Employee Benefits

Description:

001-410 tracks the reimbursable responses for OES incidents. Due to the manner in which this fund is presented, it shows as over-budget but in reality, it is not. Chico Fire-Rescue personnel assist CAL Fire and the U.S. Forest Service through the California Fire Assistance Agreement. These costs are proportional to incidents and are fully reimbursable. As such, costs will not be over reimbursements. When reimbursement is received, the account will be adjusted to reflect actuals.

Item #2

Location:

Fund/Dept 874-400 – Private Development – Fire

Expenditure Item:

Category 5400 – Purchased Services

Description:

This category is trending high due to high volume of activity. This Fund-Dept is fee based so there are revenues to offset overages. A supplemental will be brought to

City Council to increase the expense budget.
