

FEES & DEPOSITS

For those applications requiring payment of a filing fee, that fee is assumed to cover all processing costs except in extraordinary cases. When an application requires payment of a deposit, the applicant is responsible for payment of all costs related to processing. Depending on the actual costs, additional payment may be required, or excess funds refunded. *In addition to application fees for Use Permits/Variations/ADU permits, the applicant shall also pay any associated recording costs.*

Environmental Review

All actions in this pamphlet are subject to an environmental review fee, unless marked with an asterisk (*). If a particular project is exempt from the California Environmental Quality Act the fee is small; if a project is not exempt, thereby requiring preparation of an initial study and negative declaration, the fee is larger. A separate \$50 check (payable to Butte County) must also be submitted at the time of application in order to post a project's notice of exemption (NOE) or notice of determination (NOD) with the County Clerk. If a project will have any effect on fish and wildlife or their associated habitat, an additional fee as determined by the state will be required to file the NOD.
