Application Submittal Checklist

In accordance with Section 19.37.050 of the Chico Municipal Code, an application for a nomination to the Historic Resources Inventory shall include the following:

1. Adequate historical and architectural information, including a Statement of Consistency with the significance criteria listed in section 19.37.040 (see below);
2. Additional current and historical photographs of the resource; and
3. Additional research or documentation supporting the historical significance of the resource.

In accordance with Section 19.37.040 of the Chico Municipal Code, an application for a nomination to the Historic Resources Inventory shall include a Statement of Consistency with the following significance criteria:

- A. An historic resource may be designated a landmark if the resource or area meets any of the following criteria and retains a high level of historic integrity:
 1. The resource or area is associated with events that have made a significant contribution to the broad patterns in the history of Chico, the State of California, or the nation;
 2. The resource or area is associated with individuals who were significant in the history of Chico, the State of California, or the nation;
 3. The resource or area embodies the distinctive characteristics of a type, period, architectural style or method of construction, represents the work of a master designer, or possesses high artistic values.
- B. Additional Factors to be Considered in Landmark Designation. In determining whether to designate a resource a landmark, the following additional factors may be considered, if applicable:
 1. A resource moved from its original location may be designated a landmark if it is significant primarily for its architectural value, or if it is one of the most important surviving structures associated with an important person or historic event.
 2. A birthplace or grave may be designated a landmark if it is that of an historical figure of outstanding importance in the history of Chico, the state, or the nation.
 3. A cemetery may be designated a landmark if it represents a group of persons or an era that collectively is significant in the broad patterns in the history of Chico, the State of California, or the nation.
 4. A reconstructed building may be designated a landmark if the reconstruction is historically accurate based on sound historical documentation, is executed in a suitable environment, and if no other original structure that has the same historical association exists.
 5. A resource achieving significance within the past fifty years may be designated a landmark if the resource is of exceptional importance within the history of Chico, the state or the nation.
