**RIDE SAFELY
AND COURTEOUSLY**

Probably the single most important
thing a bicyclist can do to earn
greater respect on the road is to
obey stop signs and traffic signals.

LEGEND

Bike Paths (Class I)
Paths are separated facilities designed exclusively for the use of bicycles and pedestrians. May have minimal cross flow from motorists.

Bike Lanes (Class II)
Lanes are restricted right-of-ways designed exclusively for the use of bicycles with vehicle parking and cross flows by pedestrians and motorists permitted.

Bike Routes (Class III)
Routes are right-of-ways designed to provide shared use for bicycles, pedestrians, and motorists. Routes may be simply designated by a sign.

Connector
Connectors provide links between paths, routes, and lanes. Connectors are unmarked and may not provide adequate space for bicycles, pedestrians, and motorists.

Bus Routes
Transit routes served by B-Line. Maps available on each B-Line bus.
