**DEVELOPMENT ENGINEERING
DESIGN BULLETIN**

CATEGORY: 3 Improvement Plans, Streets

TITLE: 3.5.2 Joint Trench

DATE: August 5, 2008

Optimally, joint trench plans are included with the City approved improvement plans. Due to time constraints with utility company coordination, the City is allowing the submittal of joint trench plans when they become available from the utility companies, but prior to commencement of the joint trench construction. The joint trench plan set will be required as a part of the as-built improvement plans.
