CITY OF CHICO SUSTAINABILITY TASK FORCE

NOTICE OF CANCELLATION OF MEETINGS

At its meeting on 2/5/13, the City Council directed that the Sustainability Task Force be restructured to consist of 7 members chosen through a formal recruitment process similar to the system used for the City's other Boards and Commissions.

Until a recruitment process can be conducted, the March 4, 2013 and future meetings of the Task Force have been canceled until further notice.
