4. PUBLIC HEARING ITEMS

- 4.1 **West 11th Avenue Vesting Tentative Subdivision Map (S 17-09); APNs 043-800-013, -015, and -017** - A proposal to subdivide an approximately 3.0-acre site into 21 lots for residential development. The site is located on the south side of West 11th Avenue, between Holly Avenue and Sun Circle Court. The site is designated Low Density Residential on the General Plan Land Use Diagram and is zoned R1 (Low Density Residential). The proposal involves a new public street taking access from West 11th Avenue, turning to the east and terminating in a cul-de-sac bulb. This project is categorically exempt from further environmental review pursuant to Section 15332 of the California Environmental Quality Act Guidelines (Infill Development Projects). Questions regarding this project may be directed to Assistant Planner Shannon Costa at (530) 879-6807 or shannon.costa@chico.gov.
- 4.2 **Chico General Plan Annual Review: Land Absorption Study, Sustainability Indicators Report, and Title 19 Amendments** - The City's General Plan directs that an annual report be prepared on the status of the General Plan and progress on its implementation. In 2017, the City Council and Planning Commission considered a more robust Five-Year General Plan Review, which also included an evaluation of development trends, current land supply, market conditions, and the ability of available land to meet future development needs. The Review concluded that there is an adequate supply of vacant land to meet the community's needs through the General Plan's 2030 planning horizon. Council directed staff to prepare a more detailed land absorption analysis to gain greater insight into residential and commercial land use demand and supply, issues affecting affordability, and impediments to opening up land to accommodate growth. The City retained BAE Urban Economics to assist in the preparation of a Land Absorption Study. In addition, a Sustainability Indicators Report has been prepared to gauge progress in advancing the General Plan's sustainability-related goals and policies. Further, a number of amendments to Title 19 of the Chico Municipal Code (Land Use and Development Regulations) are recommended to resolve minor inconsistencies in the Code, formalize interpretations made by the Community Development Director, clarify terms and definitions, and gain efficiencies in implementation of the Code as called for by the General Plan's Economic Development Goals and Policies.
