RE: Authorization of a \$255,000 Affordable Housing Fund Loan to Caminar for the Remodel/Creation of an Additional Unit at Avenida Apartments, 2505 Esplanade

REPORT IN BRIEF

Request for an Affordable Housing Fund loan in the amount of \$255,000 for costs associated with the conversion of a two-bedroom unit into two separate studio units at Avenida Apartments. Caminar operates the permanent supportive housing project for individuals who are chronically homeless with severe mental illness.

Recommendation: The Community Development Department Director recommends that the Finance Committee forward a recommendation to the City Council to authorize a forgivable loan in the amount of \$255,000 to Caminar to create an additional unit at the Avenida Apartments at 2505 Esplanade.

FISCAL IMPACT

There is no fiscal impact to the City's General Fund. Affordable Housing Funds (AHF) in the amount of \$255,000 would be expended pursuant to the California Health and Safety Code.

BACKGROUND

Caminar, a non-profit public benefit corporation, purchased the Avenida Apartments facility located at 2505 Esplanade in 2004 with the purpose of renovating and converting it to permanent supportive housing for persons with mental health disabilities. In 2007, renovations funded in part with City federal HOME funds, former Redevelopment Agency Low-Moderate Housing funds (RDA), and the Butte County Department of Behavioral Health, created nine studio units, four one-bedroom units (including manager unit), and one two-bedroom unit.

Per the terms of the City's 2005 HOME loan in the amount of \$250,000, the HOME loan will convert to a grant on October 31, 2025, so long as Caminar has not transferred the property and is in compliance with the terms of the loan. Per the terms of the City's 2007 RDA loan in the amount of \$555,000, the RDA loan will convert to a grant on October 3, 2062, so long as Caminar has not transferred the property and is in compliance with the terms of the loan.

The Butte County Department of Behavioral Health (BCDBH) executes an annual agreement with Caminar whereby Caminar provides permanent supportive housing to seriously mentally disabled homeless clients and BCDBH provides supportive services to these households. Supportive services include, but are not limited to mental health services, daily living skills and financial education, case management, medication support, programs for substance use recovery and employment/vocational programs. The Butte Countywide Homeless Continuum of Care's Coordinated Entry System is utilized for tenant referrals. The tenant population served are very low-income households whose primary

source of income is Social Security Disability. Average rent is \$250 per month and Caminar has been successful in securing HUD Continuum of Care grants for operational support.

In addition to the permanent supportive housing provided, the Avenida site houses the Sensible Cyclery and Pro-Touch programs which provide vocational education and the opportunity for employment for tenants. Pro-Touch offers lawn and janitorial services to the community.

Avenida Apartments has been monitored on a regular basis per the funding and regulatory agreements and has remained in good standing with the requirements of the agreements.

DISCUSSION

It has been an ongoing challenge for Caminar to find two unrelated individuals who can successfully share the two-bedroom unit, causing the unit to be underutilized. If the unit is split into two separate units, an additional chronically homeless individual with serious mental illness could be provided permanent housing and supportive services. Creating an additional unit serving a very low-income household will contribute to the City's 2022-2030 Regional Housing Needs Allocation low-income goals.

The estimate of costs for the conversion of the unit are as follows:

Architectural Plans:	\$ 10,000
Remodel:	\$233,029
City/School Fees:	\$ 5,000
Vacancy Loss:	\$ 3,000
Contingency:	<u>\$ 3,971</u>
Total	\$255,000

It is proposed that the City enter into a deferred, forgivable, zero percent (0%) interest loan secured by a deed of trust. If the borrower (Caminar) continues to own and operate the property as permanent housing for disabled individuals for 55 years from the completion date of the remodel conversion, the loan would become a grant and would not be required to be repaid. Per Health and Safety Code Section 33334.3 (f)(1)(A), a 55-year affordability covenant would be recorded on the property.

The Affordable Housing Fund currently has "excess surplus", meaning there is more than \$1 Million in Fund 392. As of June 30, 2023, \$1,324,907 was in the fund. Per the Health and Safety Code, the City has three years to expend excess surplus before the surplus is to be remitted to the State. The excess surplus is to be spent on new construction, acquisition or rehabilitation of units that serve households under 80% of area median income (AMI) with a priority for serving those under 60% AMI.

ENVIRONMENTAL REVIEW

The project is Categorically Exempt from the California Environmental Quality Act (CEQA) per §15303 (b) of the CEQA Guidelines as conversion of a duplex or similar multifamily residential structure totaling no more than four dwelling units.

RE: City of Chico Proposed Fee Schedule Changes

REPORT IN BRIEF:

In accordance with Budget Policy E.5, changes in the City's Fee Schedule will be brought to Council annually and incorporated into the budget approval process each year. The City Fee Schedule is adjusted annually by one of three methods:

1. New fees requested by departments.
2. Fees subject to public hearing that are adjusted annually by applying specific municipal code automatic inflators.
3. Fees the City Manager is authorized to adjust annually under the municipal code by applying cost of living adjustment inflators. Those fees are not presented here.

The Finance Committee will be asked to consider fee increases and changes to the City's Fee Schedule.

Recommendation:

The Administrative Services Director recommends that the Finance Committee approve the new fees requested by departments and the changes to existing fees requiring public hearing and forward its recommendation to the City Council for consideration.

FISCAL IMPACT:

Approval of the recommendation to forward fee adjustments to City Council will help ensure that the City is recovering its cost of providing services.

DISCUSSION:

The Finance Committee is asked to review, approve, or comment on the proposed fee changes noted below.

Exhibit A – Department Requested Changes.

- Exhibit A-1: Community Development Department memo requesting new and updated fees
- Exhibit A-2: Public Works Engineering Department memo requesting new and updated fees
- Exhibit A-3: Police Department memo requesting new fees
- Exhibit A-4: Public Works – O&M Department memo requesting new and updated fees

Exhibit B – Proposed changes for FY2024-25 requiring a public hearing

Requests for certain fee increases are subject to procedural requirements as set forth in Government Code Sections 66016-66018, including notice and applicable public hearings. This schedule reflects applicable changes as summarized below:

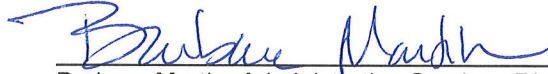

- Automatic inflator fee increases. Under Chico Municipal Code provisions and budget policies certain fees may be adjusted annually based on specific inflation indexes. Inflation indexes are as follows:
 - Consumer Price Index (CPI) – The rate of 3.15% is based on the Consumer Price Index as of February 2024.
 - Construction Cost Index (CCI) – The rate of 0.63% is based on the Engineering News Record Construction Cost Index for San Francisco as of March 2024.
 - California Department of Transportation Highway Construction Cost Index (HCI) – 11.52%, which has not increased since FY2021-22
 - Non-Safety Personnel Compensation Rate (PC) – 8.97%
 - Safety Personnel Compensation Rate (SAFE) – 16.16%

RE: FY 2024/2025 Fee Schedule Updates – CDD/Code Enforcement

Hi Barbara,

The following are the current fees as per the County Recorder:

1. Notice of Non-Compliance Recording Fees (Actual Butte County Recorder's Office Fee) \$30.
(Revise)
2. Notice of Compliance Recording Fees (Actual Butte County Recorder's Office Fee) \$21.
(New)

Thank you.

By combining these factors and rounding to the nearest dollar amount, the total fee for EV charging would amount to \$2 per hour. This recommendation aims to ensure a fair and transparent fee structure that accurately reflects both the energy usage and parking duration, thereby optimizing cost recovery for the City while encouraging efficient utilization of EV charging spaces.

RECOMMENDATION

I propose the establishment of a combined nominal parking fee with an average expected power delivery rate for EV chargers. By incorporating both elements, we can incentivize users to free up charging spaces promptly while ensuring equitable access to this essential service. Based on the parameters in the discussion section, I propose a supplementary fee schedule for EV charging of \$2 per hour to address locations where the existing kWh-based fee cannot be implemented.

I believe that this revised fee structure strikes an appropriate balance between cost recovery and user behavior incentives, thereby optimizing the utilization of our EV charging infrastructure.

 FROM: Lt. Omar Peña  FILE:
 SUBJECT: Request for Fee Assessment

Currently community groups who would like to sell alcohol at a particular event need to obtain a Daily License from the State of California, Department of Alcoholic Beverage Control (ABC). Obtaining approval from the local law enforcement agency is part of this process.

In addition to daily license applications, we also form a part of the ABC approval process for Catering Authorization Applications. For those instances where a current licensee is going to cater for an event, in a venue outside their establishment, ABC requires approval from the local law enforcement agency.

Our process for this approval looks the same for both instances. The organization or licensee must provide their application to the Chico Police Department for approval. The current process involves an applicant submitting this license to our record staff who then provide it to the Administrative Lieutenant for review. The Administrative Lieutenant will review the organization, event, size, etc., for any concerns regarding public safety, welfare, and other considerations. These types of applications usually consume a small amount of time and require a small amount of research; but at times they require some extended work. A possible denial will prompt the Lieutenant to contact the organizer and discuss concerns. An approval will return the form to Records staff who will scan it for our records, call the organizer and schedule form pickup for submittal to ABC.

We had previously not documented the number of forms processed but do have data for 2023. In 2023 we processed 151 applications. In 2024 as of 4/3/2024 we've processed 43. This amounts to over 50 hours of staff time dedicated to this process. It is not an insignificant amount of time that some agencies charge a fee to process. This task does interrupt the normal work of the unit and is a requirement/burden imposed by the ABC process.

We have looked at the amount of time that it takes us to process these applications. On average it takes the records technician approximately 15 minutes to process, scan, and arrange for pickup of the form. In my role I examine the request and evaluate for any public safety impact which, if it's

an ordinary request, is about 5 minutes of time. Breaking down the processing time for an average form, adjusting for the top hourly rates, and rounding down, the cost of our time is about \$14.00.

For reference:

- BCSO charges a fee but is currently working on a comp study as they are moving responsibilities out of their department (currently BCSO fee is \$49).
- Santa Barbara PD charges \$40.
- Rocklin PD charges \$71.

Recommendation:

I recommend that we request to add a fee of \$14.00 for the processing of the Daily License Applications and the Catering Authorization Forms.

CITY OF CHICO MEMORANDUM

TO: BARBARA MARTIN, ADMIN SERVICES DIRECTOR DATE: WEDNESDAY, APRIL 03, 2024

FROM: ERIK GUSTAFSON, PUBLIC WORKS DIRECTOR – O&M FILE: FEE UPDATES

SUBJECT: REVISED AND NEW FEE UPDATES FOR FY 2024/25

Discussion:

The purpose of this memo is to identify new fees and changes to existing fees for the FY 2024/25 Fee Schedule.

Title 15 - Water and Sewers - Violations of Chapter 15.40

Public Works O&M proposes to increase the fee under Title 15 – Water and Sewers – Violations of Chapter 15.40 for 1st Offenses from \$600 to \$1,000. Per the Code of Federal Regulations 40 CFR 403.8(f)(1)(vi)(A), “All POTWs shall also have authority to seek or assess civil or criminal penalties in at least the amount of \$1,000 a day for each violation by Industrial Users of Pretreatment Standards and Requirements.” The current amount specified in the Fee Schedule for violations of Chapter 15.40 for a first offense is \$600, which is below the minimum required in the CFR Part. Therefore, the violation fee should be increased to \$1,000 to align with the Federal Regulation.

Monthly Budget Monitoring Report

City Clerk & City Council

(Dept. Name)

Fiscal Year 2023-24 Monthly Report for the **period ending:** February 29, 2024

Department Contact: Debbie Presson, City Clerk-Elections Official

Purpose: The purpose of the review is to identify any expenditure trends which would hinder a department's ability to meet their approved budget targets or to highlight any trends of interest for the governing body.

Overall Summary:

The City Council budget actuals are currently within budget. Due to a significant investment to replace outdated equipment, and the increase in compensation for Councilmembers, we anticipate a shortfall with next month's figures, but will continue to monitor the spending. The overall budget remains on track.

The City Clerk budget actuals are trending within budget. Due to a significant investment to properly equip our new Media Coordinator position with appropriate technology and software; we anticipate a shortfall with next month's figures, but will continue to monitor spending. The overall budget remains on track.

Expenditure Item: 4000 Salaries & Employee Benefits (76%)
Description: Planning Salaries & Employee Benefits are split between General Fund (001), Subdivisions (863), and Private Planning (872) Funds.
Analysis: Subdivisions Salaries & Employee Benefits are low. Staff code time to Real Time Billing accounts based on project need. It is expected that if salaries are low in the Subdivisions Fund, that they will be higher in one of the other two funds.
Action Plan: Remind staff to code time to projects and continue to monitor.

Item #2:

Location: CDD 863-510 Subdivision Planning
Expenditure Item: 5000 Materials & Supplies (83%)
Description: 5005 Postage & Mailing and 5010 Outside Printing Expense – The Department mails notices for projects printed on cardstock supplied by an outside printing vendor.
Analysis: Notices for Real Time Billing projects are billed to the project, and the costs are recovered when the account is billed. Expenditures are within the budget appropriations.
Action Plan: No action is necessary, continue to monitor.

Item #3:

Location: CDD 871-520 Private Development - Building
Expenditure Item: 5400 Purchased Services (81%)

Description: 5400 Professional Services – The Department contracts Plan Review and Inspection Services to assist with a higher work volume than staff can handle. The work is offset by revenues generated in permit fees for construction projects.

Analysis: Appropriations set at budget for professional services are insufficient for the number and scope of projects requiring plan review and inspections.

Action Plan: Staff is working with Finance to increase appropriations, which are offset by revenues already realized.

Item #4:

Location: CDD 935-185 Information Systems (GIS)

Expenditure Item: 8900 Other Expenses (71%)

Description: 5390 - Training – Training expenses are used for registration and travel accommodation for training and conferences.

Analysis: Staff registered for a conference in July. A portion of the expenses associated with the conference hit this fiscal year, and expenditures are within budget appropriations.

Action Plan: No action is necessary, continue to monitor.

Monthly Budget Monitoring Report

FIRE

(Dept. Name)

Fiscal Year 2023-24 Monthly Report for the **period ending:** February 29, 2024

Department Contact: Steve Standridge, Fire Chief

Purpose: The purpose of the review is to identify any expenditure trends which would hinder a department's ability to meet their approved budget targets or to highlight any trends of interest for the governing body.

Overall Summary:

Fire-Rescue budget actuals are trending within budget.

Items of Interest:

Item #1

Location: Fund 001-410
Expenditure Item: Category 4000
Description: Salaries and Employee Benefits

Analysis:

Fund 410 tracks the reimbursable responses for OES incidents. Due to the way this fund is presented, it shows as over-budget but in reality, it is not. Chico Fire personnel assist CAL Fire and the U.S. Forest Service through the California Fire Assistance Agreement. These costs are proportional to incidents and are fully reimbursable. As such, costs will not be over reimbursements.

Action Plan:

Chico Fire personnel last responded out of county in October of 2023 and reimbursements are pending for a couple 2023 incidents at this time. When reimbursement is received, the account will be adjusted to reflect actuals.

Monthly Budget Monitoring Report

POLICE
(Department)

Fiscal Year 2023/24 Monthly Report for the **period ending 02/29/2024**

Department Contact: Billy Aldridge, Chief of Police

Purpose: The purpose of the review is to identify any expenditure trends which would hinder a department's ability to meet their approved budget targets or to highlight any trends of interest for the governing body.

Overall Summary:

Items of Interest:

001-300 (Police)

For a period of time, salaries for several officers were charged to 001-300, rather than Measure H 005-300. The coding has been corrected moving forward, and we will continue to monitor this category. Overage in this category also includes Sign On Bonus, which had an initial budget allocation of zero, as well as Salaries - Hourly Pay, due to the unprecedented number of trainees attending the Police Academy.

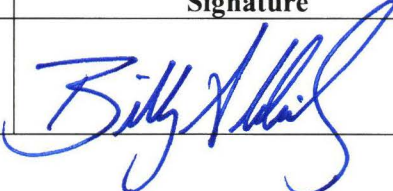

099-300 (Supp Law Enforce Service Admin)

This is a grant funded position within the Police Department. The salaries/benefits budget will be adjusted for actual funds being received.

217-300 (Asset Forfeiture)

The Police Department annual Butte Interagency Narcotics Task Force (BINTF) participation fee is budgeted in this category. The entire fee of \$10,000 is paid in July. This is a one-time expenditure, and the category will be on track at year-end.

Monthly Budget Monitoring Report

Public Works Department – O&M

(Dept. Name)

Fiscal Year 2023-24 Monthly Report for the **period ending:** 2/29/24

Department Contact: Erik Gustafson (894-4202)

Purpose: The purpose of the review is to identify any expenditure trends which would hinder a department's ability to meet their approved budget targets or to highlight any trends of interest for the governing body.

Overall Summary: The various budget accounts in the Public Works O&M Department are on track for FY 23-24 except for the few items listed below.

Items of Interest:

NEW

NONE.

PREVIOUS

Item #1

Location: Public Works Administration

Expenditure Category: 001-601-5000

Description: Materials & Supplies

Analysis: This category is tracking behind due to the Mobile MMS annual subscription in line item 5050 being paid at the beginning of the Fiscal Year.

Action Plan: None at this time; this line item/category should be on track by year end. O&M also requested additional budget for the Books/Periodicals/Software line item in FY 24/25.

Item #2

Location: Street Trees / Public Plantings

Expenditure Category: 002-686-8900

Description: Other Expenses

Analysis: This category was tracking over budget due to purchases being charged to the incorrect Fund. All street and road related activity should be captured in Fund 307, not Fund 002.

Action Plan: A Finance Office Correction Request (FOCR) was submitted to Finance to move the charges from 002-686 to 307-686, which has been completed. There is no longer an overage in this category.

Item #3

Location: Specialized Community Services

Expenditure Category: 052-688-8900

Description: Other Expenses

Analysis: This category is tracking over budget due to porta-potty and construction rentals for the Pallet Shelter being charged to the Lease/Rental Expense line item, where no budget was established in FY 2023/24.

Action Plan: O&M requested budget for the Lease/Rental Expense line item in FY 24/25.

Item #4

Location: Streets & Roads (Transportation – Depot)

Expenditure Category: 212-659-5400

Description: Purchased Services

Analysis: This category is tracking over budget due to the City’s request for increased patrols and overnight posts (provided by AG Private Security) for the safety and security of train station and Amtrak passengers.

Action Plan: Staff will work with Finance to prepare a supplemental appropriation or budget modification to add funding to this category/line item. O&M has also requested additional budget for the Contractual line item in FY 24/25.

Item #5

Location: Streets & Roads (Transportation – Depot)

Expenditure Category: 212-659-8900

Description: Other Expenses

Analysis: This category was tracking over budget due to pest control services being inadvertently charged to the Communications line item instead of the Pest Control line item.

Action Plan: A Finance Office Correction Request (FOCR) was submitted to Finance to move the charges from 212-659-5480 to 212-659-7380, which has been completed. There is no longer an overage in this category.

Item #6

Location: Streets & Roads (Street Trees)

Expenditure Category: 307-686-5000

Description: Materials & Supplies

Analysis: This category is tracking over budget due to actuals in the Safety Equipment line item (5110).

Action Plan: None at this time; this category should be on track by year end. O&M has also requested additional budget for the Safety Equipment line item in FY 24/25.

Item #7

Location: Streets & Roads (Street Trees)

Expenditure Category: 307-686-8900

Description: Other Expenses

Analysis: This category is tracking over budget due to an invoice being coded to the wrong line item.

Action Plan: A Finance Office Correction Request (FOCR) will be submitted to Finance to move the charge from 307-686-7510 to 307-686-5330.

Item #8

Location: **Sewer**

Expenditure Category: **850-670-5000**

Description: **Materials & Supplies**

Analysis: This category is tracking over budget due to actuals charged to the Small Tools and Equipment, Equipment Maintenance/Repair, and Lift Station Expenses line items.

Action Plan: Staff will monitor this category, and if necessary, prepare a supplemental appropriation or budget modification to add funding to this category/line item at the end of the fiscal year. O&M has also requested additional budget for these three line items, as well as the Plant Chemicals line item, in FY 24/25.

Item #9

Location: **Sewer**

Expenditure Category: **850-670-5400**

Description: **Purchased Services**

Analysis: This category is tracking over budget due to the costs of Util360 (the City's sewer billing consultant/contractor) hitting the Contractual line item.

Action Plan: Staff will work with Finance to prepare a supplemental appropriation or budget modification to add funding to this category/line item. O&M has also requested additional budget for the Contractual line item in FY 24/25.

Item #10

Location: **Parking Revenue**

Expenditure Category: **853-660-8900**

Description: **Other Expenses**

Analysis: This category is tracking over budget due to actuals in the Communications line item.

Action Plan: Staff will monitor this category, and if necessary, prepare a supplemental appropriation or budget modification to add funding to this category/line item at the end of the fiscal year.

Item #11

Location: **Airport**

Expenditure Category: **856-691-5000**

Description: **Materials & Supplies**

Analysis: This category is tracking behind due to actuals in the Materials and Supplies line item (5110) for lighting and sign repairs.

Action Plan: Staff will monitor this category, and if necessary, prepare a supplemental appropriation or budget modification to add funding to this category at the end of the fiscal year. O&M also requested additional budget in the Materials and Supplies line item in FY 24/25.

Item #12

Location: **Central Garage**

Expenditure Category: **929-630-5000**

Description: **Materials & Supplies**

Analysis: This category is tracking over budget due to actuals for the Small Tools and Equipment, Batteries, and Tires line items.

Action Plan: Staff will monitor this category, and if necessary, prepare a supplemental appropriation or budget modification to add funding to this category at the end of the fiscal year. O&M also requested additional budget for these three line items, as well as the Safety Equipment and Stock line items, in FY 24/25.

Item #13

Location: **Central Garage**

Expenditure Category: **929-630-5400**

Description: **Purchased Services**

Analysis: This category is tracking over budget due to the Outside Repairs-Garage line item. Due to staffing shortages, Fleet Services is being forced to outsource work that would normally be completed in-house. In addition, there was a \$40,000 fire engine repair completed by Golden State Emergency Services in November 2023.

Action Plan: Staff will work with Finance to prepare a supplemental appropriation or budget modification to add funding to this category/line item.

VIPS are an integral part of the Chico Police Department, promoting safety and awareness and enhancing police services, thereby creating a better relationship between the Police Department and the Chico community. The Chico Police Department could not accomplish its mission without the aid of the Volunteers in Police Service. This Supplemental Appropriation is to allocate funds for VIPS's 30th Anniversary Recognition Event on September 14th, 2024. Per Budget Policy I.4.d., City Manager is authorized to appropriate these funds.	2024-PD-002	3/13/2024
