## CITY OF CHICO MEMORANDUM

**TO:** BARBARA MARTIN – ASD **DATE:** April 3, 2023

**FROM:** MARIE DEMERS, HOUSING MANAGER **FILE:**

**RE:** EXPLANATION OF NEPA COMPLIANCE FEE  
Community Development Division - Housing

---

### **Discussion:**

The City of Chico acts as the Responsible Entity (RE) for environmental review pursuant to the National Environmental Policy Act (NEPA) under 24 CFR Part 58 for projects funded by the U.S. Department of Housing and Urban Development (HUD).

The project applicant will work with consultants to prepare the environmental document, most commonly the Environmental Assessment (EA), which then requires review by the City. Often, some modification to the document is required and consultation with the local Native American Tribes and the State Historic Office of Preservation is required. Once the environmental document is deemed complete, notice is published in the newspaper of general circulation, the document is signed by the Certifying Officer (Planning Director) and a Request for Release of Funds and Certification is sent to HUD for review and approval.

The review requires time of the Housing Manager, Regulatory & Grants Manager, Housing Administrative staff, and Community Development Director-Planning & Housing.

If the project is to be funded through the City (likely through the Housing Division), costs associated with the NEPA document may be incorporated into the project Capital Improvement Project (CIP in City budget). However, if the City is not providing funding to the project (i.e., it is solely a Housing Authority or Continuum of Care project) and the City is acting solely in its capacity as the RE, a mechanism is needed to recoup costs associated with the review and certification of the environmental document.

Proposed real time deposit is \$3,500 based roughly as follows:

Housing Manager-- 4 hours @ \$292.18 per hour  
 R & G Manager—4 hours @ \$286.49  
 Planning Standard Rate—2 hours @ \$254.00  
 Actual cost to publish—estimate is \$300.00

### **Recommendation:**

Create new fee as listed above.

**RE:** EXPLANATION OF PROPOSED CHANGE TO NEGATIVE DECLARATION FEE

---

**Discussion:**

The current fee schedule includes the following three options for collecting fees to cover staff costs associated with complying with the California Environmental Quality Act (CEQA) during the City's processing of discretionary development applications:

- 1) Categorical Exemptions (CEs, \$422 fee),
- 2) Negative Declarations/Mitigated Negative Declarations (NDs/MNDs, \$6,035 fee), and
- 3) Environmental Impact Reports (EIRs, \$16,593 initial deposit for real time billing).

Most development applications qualify for a CE and are processed at that lowest level of CEQA compliance. Very large projects that may have significant environmental impacts require preparation of an EIR. NDs/MNDs represent a middle-level of documentation where each environmental concern (i.e., air quality, biological resources, noise, etc.), must be addressed by drafting responses to a long checklist of questions required by State regulations, called an Initial Study (IS).

The legal requirements for drafting an adequate IS to support adopting an ND or MND have substantially increased over the past decade. Case law has provided many examples of how local agencies must handle certain types of impact discussions, often necessitating a special study that then must be peer reviewed and synthesized into a response on the IS checklist.

In 2021, staff prepared an IS/MND for a rezone and warehouse project on Morrow Lane. A detailed cost estimate was obtained from a qualified firm to prepare the documentation and the bottom-line estimate was \$84,750. Another firm estimated that their costs would have been approximately \$100,000 for the work. By preparing the document in-house, staff was able to complete the IS/MND for a cost to the applicant of approximately \$29,000. These different amounts demonstrate both the wide range of potential costs, and that costs have substantially increased relative to the City's fee schedule for preparing of Initial Studies.

**Recommendation:**

Change the flat fee for Negative Declarations to a real time billing deposit and set the initial deposit amount equal to the deposit required for an Environmental Impact Report: \$16,593.

**RE:** NEWS FEES FOR STATE MANDATED SB-9 URBAN LOT SPLITS AND DUPLEX CONVERSIONS

### Discussion:

In January 2022, SB-9 the California Housing Opportunity and More Efficiency (HOME) Act, went into effect requiring all jurisdictions to allow the subdivision of single family residentially zoned lots into two parcels, and allow the conversion of a single-family residence to a duplex for a total of two new detached residences. Planning and Public Works Engineering staff have carefully considered the anticipated staff time needed to process these applications and recommend the new fees below until such time that a new user fee study is conducted by the City.

### Proposed Fees:

Urban Lot Split Application Fee: A base application fee of \$4,278 plus “real time account” expenses associated with preparing a Final Subdivision Map. For background purposes, the application fee was calculated using the City’s existing “Minor Land Division” application fee of \$3,278 as a starting place and adding \$1,000 for additional processing expenses that roughly equates to four to five hours of Planner time at \$219 per hour ( $\$3,278 + \$1,000 = \$4,278$  Urban Lot Split Application Fee). A “real time account” would need to be created to cover ongoing technical mapping expenses that are common with all subdivisions.

Duplex Conversion Application Fee: A flat application fee of \$914. This application fee is based on the City’s existing “Staff Level Architectural Review Fee – Large Scale” application fee of \$914, which involves the same amount of work and staff time that would be associated with processing a Duplex Conversion.

It is our understanding that a cost of living and substantial inflationary fee adjustment is forthcoming. That fee increase should be added to these proposed fees.

### Recommendation:

In response to State-mandated requirements associated with SB9, create the following new Planning application categories and fees: 1) Urban Lot Split Application Fee of \$4,278 plus any real time account expenses, and 2) Duplex Conversion Application Fee of \$914.

## City of Chico Memorandum

TO: Barbara Martin, Admin Services Director  
 FROM: Steve Standridge, Fire Chief (897-3491)  
 RE: Fee Schedule Update FY23-24

Date: April 5, 2023

Below are my recommendations for five new permit fees:

To better reflect the staff time spent on inspecting every public and private school within our jurisdiction, fee schedule categories are needed for school field inspections & permits. In addition to better account for staff review and inspection time, the new fees help achieve cost recovery. (H&S code 13146.3)

Permit Categories:

- |   |        |
|---|--------|
| 1. Proposed annual school inspection fee: |        |
| Preschool                                 | \$ 122 |
| Elementary                                | \$ 173 |
| Junior High                               | \$ 224 |
| High School                               | \$ 275 |

Permits required:

A property owner or owner's authorized agent who intends to conduct an operation or business, or install or modify systems and equipment that is regulated by the California Fire Code, or to cause any such work to be performed, shall first make application to the fire code official and obtain the required permit. Failure to obtain the required permit(s) may result in additional fees as stated below.

- |   |                                   |
|---|-----------------------------------|
| 2. Work completed without an approved permit: | Proposed fee 2x normal permit fee |
|---|-----------------------------------|

Additionally, a new fee for Fire Hydrant Location(s) Review and Fire Dept Access, California Fire Code Construction Permits, and Aboveground Fire Service Permit Fee is also being requested. Prior to new development, civil engineers request hydrant location(s) and fire dept. access review and approval. In addition to better account for staff review and inspection time, these new fees help achieve cost recovery.

- |  |                       |
|--|-----------------------|
| 3. Fire hydrant location and fire dept. access review and approval | Proposed fee \$219.00 |
| 4. California Fire Code Construction Permit Plan Review            | Proposed fee \$219.00 |
| 5. Aboveground Fire Service Permit Fee                             | Proposed fee \$496.00 |

**Recommendation:**

Increase the number of permit categories and corresponding fees.

# Monthly Budget Monitoring Report

FIRE

(Dept. Name)

Fiscal Year 2022-23 Monthly Report for the **period ending:** February 28, 2023

**Department Contact: Steve Standridge, Fire Chief**

**Purpose:** The purpose of the review is to identify any expenditure trends which would hinder a department's ability to meet their approved budget targets or to highlight any trends of interest for the governing body.

### Overall Summary:

Fire-Rescue budget actuals are trending within budget.

### Items of Interest:

#### Item #1

Location: Fund 001-410  
Expenditure Item: Category 4000  
Description: Salaries and Employee Benefits

#### Analysis:

Fund 410 tracks the reimbursable responses for OES incidents. Due to the way this fund is presented, it shows as over-budget but in reality, it is not. Chico Fire personnel assist CAL Fire and the U.S. Forest Service through the California Fire Assistance Agreement. These costs are proportional to incidents and are fully reimbursable. As such, costs will not be over reimbursements.

#### Action Plan:

Chico Fire personnel last responded out of county in January of 2023 and reimbursements are pending for two incidents at this time. When reimbursement is received, the account will be adjusted to reflect actuals.

#### Item #2

Location: Fund 874-400  
Expenditure Item: Category 5000 and 8900  
Description: Materials and Supplies/Other Expenses

#### Analysis:

874-400 Operating funding accounts were not part of the Council adopted budget in FY21/22; rather they were added on later in the year through a supplemental process. Because of this, 874-400 was not a part of the "baseline" budget Finance rolled to begin the budgeting process for the following fiscal year (FY22-23). These private development operating accounts are fully funded directly from revenue generated from private development during the plan review process.

#### Action Plan:

A Supplemental Appropriation will be brought to Council from the Finance Office requesting funding for these two categories.

# Monthly Budget Monitoring Report

POLICE

(Department)

Fiscal Year 2022/23 Monthly Report for the **period ending 2/28/2023**

**Department Contact: Billy Aldridge, Chief of Police**

**Purpose:** The purpose of the review is to identify any expenditure trends which would hinder a department's ability to meet their approved budget targets or to highlight any trends of interest for the governing body.

**Overall Summary:**

**Items of Interest:**

**001-348 PD-Animal Services**

The use of temporary staffing to perform necessary animal shelter duties while permanent staffing was recruited, interviewed and hired caused an increase in budget activity in purchased services. Strong mitigation efforts have been enacted to reduce expenses and the use of temporary staffing has been suspended. A budget modification has been approved to transfer funds from salaries and benefits to purchased services.

**001-300 PD-Non-Recurring Operating**

Coding errors caused this category to be over budget. The errors are in the process of being corrected.

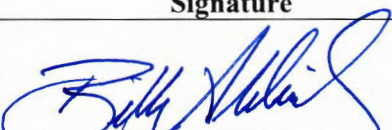

**217-300 Asset Forfeiture**

The Police Department annual Butte Interagency Narcotics Task Force (BINTF) participation fee is budgeted in this category. The entire fee of \$10,000 is paid in July. This is a one-time expenditure per year.

**050-300 (PD Donations) and 050-348 (Animal Shelter Donations)**

These categories are for expenditures to donation accounts. Reimbursements appear in revenue and offset donation expenses.

# Monthly Budget Monitoring Report

Public Works Department – O&M

(Dept. Name)

Fiscal Year 2022-23 Monthly Report for the **period ending:** 2/28/23

**Department Contact: Erik Gustafson (894-4202)**

---

**Purpose:** The purpose of the review is to identify any expenditure trends which would hinder a department's ability to meet their approved budget targets or to highlight any trends of interest for the governing body.

**Overall Summary:** The various budget accounts in the Public Works Department are on track for FY 22-23 except for the few items listed below.

## Items of Interest:

### **NEW**

#### **Item #1**

**Location:** Street Trees/Public Plantings

**Expenditure Category:** 002-686-8900

**Description:** Other Expenses

**Analysis:** This category is tracking over budget due to purchases being charged to the incorrect Fund. All street and road related activity should be captured in Fund 307, not Fund 002.

**Action Plan:** A Finance Office Correction Request (FOCR) has been submitted to Finance to move the charges from 002-686-8900 to 307-686-8900.

#### **Item #2**

**Location:** Streets & Roads (Street Cleaning)

**Expenditure Category:** 307-620-8900

**Description:** Other Expenses

**Analysis:** This category is tracking over budget due to multiple dump truck rental invoices being processed from Leaf Season.

**Action Plan:** Staff will monitor this category and prepare a supplemental appropriation or budget modification if needed at the end of the fiscal year.

#### **Item #3**

**Location:** Streets & Roads (Right of Way)

**Expenditure Category:** 307-650-4000

**Description:** Salaries & Benefits

**Analysis:** This category appeared to be tracking behind, but when the Department Expense Report was run, the Salaries & Benefits category shows on track (32% budget remaining vs. 29% time remaining).

**Action Plan:** None at this time – the category appears on track.

**Item #4**

Location: **Central Garage**

Expenditure Category: **929-630-5400**

Description: **Purchased Services**

Analysis: This category is tracking over budget due to Vac-Con repairs totaling \$40,000 that had to be performed by an outside company.

Action Plan: Staff will prepare a budget modification or supplemental appropriation to add funding to this category before the end of the fiscal year.

**PREVIOUS**

**Item #1**

Location: **Public Works Administration**

Expenditure Category: **001-601-5000**

Description: **Materials & Supplies**

Analysis: This category is tracking behind due to the Mobile MMS annual subscription in line item 5050.

Action Plan: The annual software subscription price has increased, so O&M has requested additional funding for this renewal in FY 2023/24. Staff will monitor this category and prepare a supplemental appropriation or budget modification if needed at the end of the fiscal year.

**Item #2**

Location: **Specialized Community Services**

Expenditure Category: **052-682-4000**

Description: **Salaries & Benefits**

Analysis: This category is tracking behind due to multi-day, multi-location encampment clean ups that utilize all O&M Divisions, not just the Encampment Clean Up Crew. All employees who participate in these clean ups charge their time to the 052-682 Salaries line item.

Action Plan: Staff will monitor this category and prepare a supplemental appropriation or budget modification if needed at the end of the fiscal year.

**Item #3**

Location: **Specialized Community Services**

Expenditure Category: **052-682-5000**

Description: **Materials & Supplies**

Analysis: This category is tracking over budget due to encampment clean up purchases being charged to the Materials & Supplies line item, where no budget was requested for FY 2022/23.

Action Plan: This is a new Department, so staff is building the budget by charging purchases to the appropriate line items. Budget has been requested for Materials & Supplies for FY 2023/24.

**Item #4**

Location: **Specialized Community Services**

Expenditure Category: **052-688-5000**

Description: **Materials & Supplies**

Analysis: This category is tracking over budget due to Pallet Shelter purchases being charged to the Materials & Supplies line item, where no budget was requested for FY 2022/23.

**Action Plan:** This is a new Department, so staff is building the budget by charging purchases to the appropriate line items. Budget has been requested for Materials & Supplies for FY 2023/24.

**Item #5**

**Location:** Streets & Roads (Right of Way)

**Expenditure Category:** 307-650-5000

**Description:** Materials & Supplies

**Analysis:** This category is tracking over budget due to an increase in traffic signal hardware purchases in December 2022. There were two traffic signal cabinet knockdowns that had to be repaired. In addition, damage to street light poles has increased, resulting in more charges to the Street Lighting Supplies line item.

**Action Plan:** Staff will monitor this category and prepare a supplemental appropriation or budget modification if needed at the end of the fiscal year.

**Item #6**

**Location:** Streets & Roads (Transit Services)

**Expenditure Category:** 307-653--4000

**Description:** Salaries & Employee Benefits

**Analysis:** This category is tracking over budget due to Salaries and Employee Benefits being charged where no budget was requested for FY 2022/23.
