RE: 2023 Ice Rink Funding Discussion and Consideration

#### **REPORT IN BRIEF:**

Over the years, City staff have evaluated and considered ways to enhance the downtown experience for our community, as well as an attraction for outside tourism. The plaza was an underutilized asset in the winter time and therefore, we narrowed in on the concept of the Downtown Chico Ice Skating Rink to further enhance the holiday festivities in our downtown. As a family-friendly event, this provided a means to provide an experience that people of all ages can enjoy. By having a cost-effective event for families downtown, there are other intrinsic values that it brings to get more people downtown. The Downtown Chico Ice Skating Rink was initiated and started in 2021. The original intent was to transfer management and full operating/rental costs to another group, such as the Downtown Chico Business Association (DCBA) or the Chico Area Recreation District (CARD) after the first year of operation. Therefore, the first year (2021), City staff managed the operations with support from DCBA and the second year (2022), DCBA fully managed the operations of the program with City staff still managing the setup of the rink.

The Ice Rink has now operated for two seasons, both of which have resulted in net losses based on revenues gained, compared to the expenditures to setup and operate. With fiscal concerns on the sustainability of this program, staff is bringing forward consideration of funding the Ice Rink to the Finance Committee.

Currently, the startup costs for the Ice Rink are not included in the FY23-24 Budget and therefore, the Finance Committee is being asked to consider, discuss and provide direction to staff on whether or not this program should allocate City funds for this winter season, 2023. In this report, additional details are provided for the Finance Committee to consider and provide direction to City staff.

#### **Recommendation:**

The Director of Public Works – Engineering recommends that the Finance Committee provide direction on the whether or not to support and fund the Downtown Ice Rink for the 2023 season.

#### **FISCAL IMPACT:**

The estimated amount of funds anticipated for the startup costs this year are approximately \$200,000. This will be our initial capital outlay and staffing time, with net revenues from the operations to cover a portion, if not all of this initial outlay.

#### **BACKGROUND:**

The 'Chico Ice Rink in the Plaza' started in 2021, with a second year of operation in 2022. The City allocated General Fund dollars to pay for the initial startup costs, and each of the first two years have experienced net losses from the revenue gained. The project is not currently included in the FY 23-24 Budget and therefore discussion with the Finance Committee is being held to consider whether or not

Page 2

this project/program should continue to be funded with City dollars. Below in the Discussion Section, additional details for consideration and discussion are provided for the Finance Committee.

#### **DISCUSSION:**

The first year of operation (2021) City staff were essentially managing the Ice Rink, with DCBA support. In 2022, the City transitioned these duties to DCBA, with the City still covering the expenses for startup costs. Each year, the City has been able to reduce the startup costs, as follows:

- 1. 2021 Equipment Rental and Startup Cost = \$287,000
- 2. 2022 Equipment Rental and Startup Cost = \$207,000
- 3. 2023 **Estimated** Equipment Rental and Startup Cost = \$175,000

The first two years resulted in losses of funding directly linked to program costs and revenues. In 2021, the program had a negative project cost of \$142,557.76, and in 2022, a negative project cost of \$188,779.43. While the direct revenues did not cover the startup and operational costs in each of the first two years, City Council, staff and the community have concerns on the ability of this event to be fiscally sustainable. However, there are other intrinsic values that this brings to one of our community features, Historic Downtown Chico. Similar to parks, it is a community feature that provides an experience, which does not necessarily function as a successful business venture. Rather it sets the stage for people to enjoy downtown and come to downtown on a more frequent basis. By nature of that, it offers more opportunities for foot traffic and sales of goods. We do not currently have the sales figures of the downtown available, however, anecdotally we have heard that businesses generally performed better during the period of the Downtown Chico Ice Rink operation, which in turn increases the sales tax revenues for the City.

In the attached 2022 Ice Rink Report prepared by the DCBA (Attachment A), the operating revenues and costs performed by DCBA are provided. This report does not include the City costs, however, the revenues above and beyond the operating costs were provided back to the City in order to offset the startup costs. This resulted in an approximately \$188,000 loss (2022 season only), after receipt of the \$70,053.64 of net revenue from the DCBA. In order to truly evaluate the causes for not covering the startup and operating costs, we believe there are some nuances to discuss and consider. This includes:

- 1. 2022 had an abnormal number of rain days.
  - a. 2021 had 69 days of operation (i.e. revenue), whereas 2022 only had 47
  - b. That is **22** days less of operation, at 278 skaters per day. General admission is \$8.00 for adults and \$4.00 for children (Children under 4 are free), with ice skate rentals at \$7.00 each. If an average of \$13.00 per person is used, that equates to \$3,614 per day in revenue on average. At 22 days less of operation, that was a difference of \$79,508.00 in lost revenue due to weather impacts in 2022, compared to 2021.
- 2. The second year of operation (2022) had an increase in the average number of skaters per day of operation (265/day in 2021 and 278/day in 2022).
- 3. Sponsorships are a major component of the revenues, which had a significant decrease from the first year, to the second year.
  - a. 2021 Sponsorships = \$116,100.00
  - b. 2022 Sponsorships = \$65,196.00
- 4. The City had additional expenses in the first two years, but have now purchased much of the equipment necessary to setup the ice rink that does not require regular maintenance, including Storage Sheds, ticketing offices, rubber matting, and tents, at a cost of approximately \$50,000. Therefore, if decided to support the program moving forward, there is less fiscal risk by reducing

our overall costs.

5. This function brought in approximately 35,000 visitors to downtown (including both paid and unpaid patrons).

Some considerations that the Finance Committee might want to think about if considering continuation of funding for the upfront costs, might include raising the admission rates to better align with the program expenditures to gear towards full cost recovery. Additionally, staff believes there are additional ways to enhance the program, such as programs with Chico State to increase the number of users at the Ice Rink on a daily basis.

# INTRODUCTION

The second annual Ice Rink in the Plaza opened November 17 as a kick-off to the holiday season and downtown's Christmas Preview closing January 9, 2023. The following report reviews the season attendance, community sponsorships and financials compared to the 2021 season.

Leigh-Ann Sutton, Director of Public Works and Wyatt West (Assistant Engineer), led the city team, including Parks, Fire and Police departments, in planning and working with Ice America for installation of the portable ice rink and coordination safety at the plaza. The city contracted with Downtown Chico Business Association (DCBA) to manage the ice rink operations.

Services provided by DCBA included sponsorship solicitation, marketing and promotions, recruitment, hiring and training of an ice rink work team and management of daily operations.

Daily attendance increased from 2021, unfortunately due to weather conditions, the rink was forced to close 7 days in the season.

Reports and comments from attendees and parents indicate the Ice Rink was a welcomed venue for families, a fun experience and businesses reported increased traffic in through their doors.

# **SKATERS ON ICE**

The 2022 Ice Rink was nine weeks, compared to 11 weeks (rink was extended 3 additional weeks to late January) in 2021. Inclement weather forced the rink to close seven days in 2022 for safety of skaters. Even with weather closures and a shorter season the 2022 season saw higher per day skaters and an increase in reserving the entire rink for parties and school events.

# **Monthly Budget Monitoring Report**

City Clerk & City Council

(Dept. Name

Fiscal Year 2022-23 Monthly Report for the **period ending:** May 31, 2023

### Department Contact: Debbie Presson, City Clerk-Elections Official

**Purpose:** The purpose of the review is to identify any expenditure trends which would hinder a department's ability to meet their approved budget targets or to highlight any trends of interest for the governing body.

### **Overall Summary:**

City Council budget is over in category 8900 due to the additional Ads that had to be placed for the multiple extensions of the biennial recruitment and the increase in broadcasting expense.

City Clerk budget actuals are trending mostly within budget with except the overage in Category 8900 due to the unexpected increase in the election cost.

### **Items of Interest:**

### Item #1

Location:

Fund 001-101

Expenditure Item:

Category 8900

Description:

Other Expenses

### Analysis:

Fund 001-101 tracks City Council expenses and category 8900 includes Council Broadcasting expense. Our video production vendor increased their rates significantly.

### Action Plan:

The Clerk will be working with Finance to bring forward a supplemental to transfer funds to cover this overage. We will be mitigating this issue in the next budget cycle with the new position allocation for a Multi-Media Coordinator. This will bring the video production in-house and provide additional technical support for meetings.

# **Monthly Budget Monitoring Report**

**FIRE** 

(Dept. Name)

Fiscal Year 2022-23 Monthly Report for the period ending: May 31, 2023

### Department Contact: Steve Standridge, Fire Chief

**Purpose:** The purpose of the review is to identify any expenditure trends which would hinder a department's ability to meet their approved budget targets or to highlight any trends of interest for the governing body.

### **Overall Summary:**

Fire-Rescue budget actuals are trending within budget.

### **Items of Interest:**

Item #1

Location:

Fund 001-410

Expenditure Item:

Category 4000

Description:

Salaries and Employee Benefits

### Analysis:

Fund 410 tracks the reimbursable responses for OES incidents. Due to the way this fund is presented, it shows as over-budget but in reality, it is not. Chico Fire personnel assist CAL Fire and the U.S. Forest Service through the California Fire Assistance Agreement. These costs are proportional to incidents and are fully reimbursable. As such, costs will not be over reimbursements.

### Action Plan:

Chico Fire personnel last responded out of county in January of 2023 and reimbursements are pending for two incidents at this time. When reimbursement is received, the account will be adjusted to reflect actuals.

Analysis: This category is tracking over budget due to multiple employees attending three (3) separate, week-long, out-of-state trainings over the course of this fiscal year.

Action Plan: Staff will prepare a supplemental appropriation or budget modification at the end of the fiscal year.

#### Item #15

<u>Location</u>: Facilities Maintenance <u>Expenditure Category</u>: 930-640-8910 <u>Description</u>: Non-Recurring Operating

Analysis: This category is tracking over budget due to payments not hitting the proper

encumbrance.

<u>Action Plan</u>: A Finance Office Correction Request (FOCR) was submitted to Finance to clear/post the encumbrance and no more charges will be made to this line item.

#### Item #16

<u>Location</u>: Maintenance District Admin <u>Expenditure Category</u>: 941-614-8900

**Description:** Other Expenses

Analysis: This category is tracking over budget due to the purchase of an irrigation controller meant for a specific CMD that turned out not to need one at this time. It was charged to the 'general' Maintenance District Admin account and is being kept as a spare until needed. Action Plan: When the location for the new controller is decided, a Journal Entry will be completed to move the charge to the appropriate CMD account, and this Category will be back on track.
