Bruce and Kelly,

Again, Happy New Year to you, and thank you for talking with us today about the status of the above referenced subject.

As we discussed, we are considering the project as currently planned, as well as alternatives to it that may address concerns about it raised by neighbors and other City residents. With this in mind, we respectfully request an indefinite postponement of any meeting of the Zoning Administrator at this time. Once we have fully considered the project and its alternatives, we will advise as to the action we wish to pursue.

We thank you for your cooperation in this regard. We will keep you apprised of developments on this matter as circumstances warrant.

Jeff

Hello All,

We have no problem recommending that the Zoning Administrator continue the hearing until the next meeting on January 19, 2021. Since the meeting has already been scheduled and this is the only item, the Zoning Administrator will briefly open and announce that the meeting has been continued at the request of the applicant and an interested party.

Best Regards
