

TABLE OF CONTENTS

1. INTRODUCTION

Introduction	1-1
2030 Vision	1-2
General Plan Strategy of Sustainability	1-2
Guiding Principles	1-3
Public Participation	1-5
Types of Public Outreach	1-5
Phases of Public Outreach	1-6
General Plan Planning Area	1-9
Implementing the General Plan	1-13
General Plan Organization	1-13
Relationship of General Plan Elements	1-14

2. SUSTAINABILITY ELEMENT

Introduction	2-1
Sustainability Components	2-2
Balancing Environmental, Economic, and Social Equity Components	2-2
Sustainability in Decision-Making	2-3
Relationship to Other Elements	2-4
Issues and Considerations	2-5
Greenhouse Gas Emissions and Climate Change	2-5
Energy Savings	2-7
Citizen Participation	2-7
Fostering Partnerships for a More Sustainable Chico	2-8
Goals, Policies, and Actions	2-9

3. LAND USE ELEMENT

Introduction	3-1
Planning for Future Needs	3-2
Projected Housing and Job Needs in 2030	3-2
Issues and Considerations	3-3
Sustainable and Balanced Land Use.....	3-3
Defined Growth and Conservation Areas.....	3-4
Community Development Patterns and Integrated Uses	3-4
Healthy and Livable Neighborhoods	3-4
Infill Development.....	3-5
Airport Compatibility	3-5
Relationship Between Urban and Rural Areas	3-6
Good Government Process	3-6
Major Land Use Components	3-7

TABLE OF CONTENTS

Areas of Stability, Change, and Growth	3-7
Desired Land Use Patterns	3-7
Incentives For Desired Land Use Patterns	3-9
Land Use Designations and Diagram	3-11
Land Use Designations	3-11
Land Use Diagram	3-15
Special Planning Areas	3-19
Opportunity Sites	3-19
Resource Constraint Overlay Sites.....	3-20
Development Potential.....	3-25
Goals, Policies, and Actions.....	3-28

4. CIRCULATION ELEMENT

Introduction.....	4-1
Issues and Considerations	4-1
Sustainable Circulation Plan	4-1
Complete Streets	4-2
Connectivity	4-2
Central City Transit Route	4-3
Transportation Planning Context	4-3
Highway Capacity Manual.....	4-3
State Transportation Planning.....	4-3
Regional Transportation Planning.....	4-4
Local Transportation Planning.....	4-4
Multimodal Circulation System.....	4-5
Roadways	4-5
Bikeways	4-11
Pedestrian Ways	4-15
Transit	4-15
Multimodal Level of Service	4-19
Other Transportation Facilities.....	4-21
Airports	4-21
Rail	4-22
Goals, Policies, and Actions.....	4-23

5. COMMUNITY DESIGN ELEMENT

Introduction.....	5-1
Issues and Considerations	5-2
Infill Design Compatibility	5-2
Neighborhood Character	5-2
Sense of Place	5-3
Complete Streets and Scenic Roads	5-3

TABLE OF CONTENTS

Wayfinding as Design Opportunity	5-3
Design Review – Principle and Process	5-4
Community Design concepts	5-4
Major Land Use Components	5-4
Goals, Policies, and Actions	5-10

6. DOWNTOWN ELEMENT

Introduction	6-1
Issues and Considerations.....	6-5
Downtown Vision illustration and Concepts.....	6-5
Downtown Vision Illustration	6-5
Downtown Vision Concepts	6-5
Downtown Land Use Diagram	6-11
Goals, Policies, and Actions	6-15

7. ECONOMIC DEVELOPMENT ELEMENT

Introduction	7-1
Issues and Considerations.....	7-2
Chico’s Economic Role	7-2
Higher Paying Jobs	7-2
Retail and Service Employment Base.....	7-3
Sustainable Economic Development	7-3
Local Government Role.....	7-4
Readiness and Investment Opportunity	7-4
Redevelopment Agency Tools.....	7-4
Goals, Policies, and Actions	7-9

8. HOUSING ELEMENT

8

Updated every five years, the Housing Element contains a separate table of contents.

9. PARKS, PUBLIC FACILITIES, AND SERVICES ELEMENT

Introduction	9-1
Issues and Considerations.....	9-2
Parks, Greenways, Preserves and Recreational Open Space	9-2
Wastewater Service	9-2
Water Facilities.....	9-3
Storm Drainage.....	9-3
Parks, Public Facilities, And Services Context.....	9-3
Parks, Greenways, Preserves and Recreational Open Space	9-7
Educational Facilities	9-13

TABLE OF CONTENTS

Wastewater Facilities	9-14
Water Facilities	9-14
Storm Water Drainage Facilities	9-15
Health, Social, and Community Service Facilities.....	9-15
Solid Waste Disposal and Recycling	9-16
Goals, Policies, and Actions.....	9-17
Parks, Greenways, Preserves and Recreational Open Space	9-17
Educational Facilities	9-19
Wastewater Facilities	9-20
Water Facilities	9-21
Storm Water Drainage Facilities.....	9-23
Health, Social, and Community Service Facilities.....	9-25
Solid Waste Disposal and Recycling	9-25

10. OPEN SPACE AND ENVIRONMENT ELEMENT

Introduction.....	10-1
Issues and Considerations	10-2
Biological Resources.....	10-2
Open Space.....	10-2
Water Resources.....	10-2
Air Quality	10-3
Open Space and Environment Context.....	10-3
Biological Resources.....	10-3
Open Space.....	10-4
Water Supply and Water Quality	10-11
Air Quality	10-11
Agricultural Resources.....	10-15
Urban Forest.....	10-15
Goals, Policies, and Actions.....	10-19
Biological Resources.....	10-19
Open Space.....	10-20
Water Supply and Water Quality	10-21
Air Quality	10-23
Agricultural Resources.....	10-24
Urban Forest.....	10-25

11. CULTURAL RESOURCES AND HISTORIC PRESERVATION ELEMENT

Introduction.....	11-1
Issues and Considerations	11-5
Tribal Consultation Protocol.....	11-5
Historic Preservation Program	11-5
Regulatory Context.....	11-6

TABLE OF CONTENTS

Federal Regulations	11-6
State Regulations	11-7
Local Regulations	11-8
Goals, Policies, and Actions	11-9

12. SAFETY ELEMENT

Introduction	12-1
Issues and Considerations.....	12-2
Fire Hazards.....	12-2
Law Enforcement	12-2
Railroad-Related Safety.....	12-3
Safety Context.....	12-3
Emergency Management	12-3
Flooding and Dam Inundation.....	12-4
Seismic and Geologic Hazards	12-11
Airport Related Safety	12-15
Miscellaneous Hazards	12-15
Goals, Policies, and Actions	12-17

13. NOISE ELEMENT

Introduction	13-1
Issues and Considerations.....	13-2
Noise Compatibility of Land Uses	13-2
Transportation-Related Noise Compatibility.....	13-2
Trains	13-2
Airports.....	13-3
The Changing Noise Environment	13-3
Noise Characteristics and Measurements	13-3
Noise Characteristics	13-3
Noise Measurement	13-4
Noise Sources	13-5
Stationary Noise Sources.....	13-5
Transportation Noise Sources.....	13-7
Goals, Policies, and Actions	13-13

APPENDICES

- A. Glossary
- B. Opportunity Sites
- C. Special Planning Areas
- D. Land Use Projections

TABLE OF CONTENTS

LIST OF TABLES

Table I-1 General Plan Element Relationship.....	1-15
Table LU-1 Housing and Jobs Projected for 2030 and Planned for General Plan Build-Out.....	3-3
Table LU-2: Land Use Designations and Development Standards.....	3-12
Table LU-3 Development Potential of the 2030 Land Use Diagram.....	3-26
Table LU-4 Existing, Planned, and Total Build Out Conditions	3-27
Table CIRC-1 Street Classifications	4-6
Table CIRC-2 Roadway Connections for Future Study.....	4-7
Table PPFS-1 Existing Park and Recreation Facilities	9-11
Table PPFS-2 Projected Future Park Needs.....	9-13
Table N-1 Maximum Allowable Noise Levels from Transportation Noise Sources	13-16
Table N-2 Maximum Allowable Exterior Noise Levels from Non-Transportation Sources...	13-17
Table N-3 Requirements for an Acoustical Analysis.....	13-18

LIST OF FIGURES

Figure I-1 2030 General Plan Update Process	1-6
Figure I-2 General Plan Planning Area Map.....	1-11
Figure LU-1 Land Use Diagram	3-17
Figure LU-2 (A through C) Resource Constraint Overlay Areas	3-23
Figure CIRC-1 Roadway System.....	4-9
Figure CIRC-2 Bike/Pedestrian System Map	4-13
Figure CIRC-3 Transit System.....	4-17
Figure DT-1 Downtown Chico Map	6-3
Figure DT-2 Downtown Vision Illustration.....	6-9
Figure DT-3 Downtown Land Use Plan	6-13
Figure ED-1 Chico Redevelopment Agency Project Area.....	7-7
Figure PPFS-1 Public Facilities and Services.....	9-5
Figure PPFS-2 CARD Master Plan.....	9-9
Figure OS-1 Sensitive Habitats.....	10-7
Figure OS-2 Open Space Resources	10-9
Figure OS-3 Surface Water.....	10-13
Figure OS-4 Agricultural Resources.....	10-17
Figure CRHP-1 Archaeological Sensitivity	11-3
Figure S-1 FEMA Flood Zones.....	12-7
Figure S-2 Dam Failure Inundation	12-9
Figure S-3 Expansive Soils	12-13
Figure N-1 Noise Sources	13-9
Figure N-2 Noise Contour Map	13-11
