FOR IMMEDIATE RELEASE

Date: 04/24/2019

Residential Burglary

On 04/24/2019 at approximately 1100 hours, CPD officers were dispatched to 73 Mill Street for a report of two subjects trespassing inside the residence. The reporting party had arrived at the above address to take care of the residence while the owner was gone. The reporting party advised CPD that the owner of the residence was receiving extended medical treatment at an unknown medical facility and that she was in charge of the property while he was gone. Nobody else was allowed on the property at the time.

When the reporting party arrived today, she opened the front door and immediately noticed two unknown subjects had entered the residence and were sleeping inside. The reporting party immediately called CPD. Officers arrived on scene and contacted Brandon Heaton, 27 years old and Leslie Montgomery, 36 years old. Both subjects were detained at the scene without incident. The reporting party again confirmed that neither of the listed subjects were known to her and they were not given permission to be inside the residence. Montgomery was also found to be in possession of some of the resident's property at the time she was contacted, as well as methamphetamine concealed in one of the victim's prescription pill bottles. Heaton was also in possession of a wallet and credit cards that did not belong to him. CPD officers are working to identify a possible victim related to the items located in Heaton's possession.

Both subjects were ultimately placed under arrest for burglary and were transported to the Butte County Jail.
