Arrested for Weapons Violations

Chico, CA – On 11/20/19 Chico Police Officers assisted California State Parks Peace Officers with a welfare check on a residence in the 1300 block of Roycroft Ln. Chico, Ca. State Parks located a vehicle in the Sacramento River and wanted to check the registered owner's safety and knowledge of the vehicle. As Officers were on scene, they developed information and facts that necessitated a check on the interior of the residence to ensure family members were not injured.

Inside, Officers came across the registered owner of the vehicle, Dr. Alfred VILLASENOR. VILLASENOR was armed, wearing body armor and placed himself in a position inside the residence consistent with that of an ambush posture. Luckily VILLASENOR chose to surrender himself and Officers took him into custody without incident.

A search of his residence resulted in the discovery of a semi-automatic rifle, an assault weapon, two manufactured handguns, body armor, and ammunition.

Dr. VILLASENOR is prohibited from possessing firearms pursuant to a Restraining Order. This is the second time that Dr. VILLASENOR has violated this order and obtained firearms; he had an outstanding warrant for that case.

He was booked into Butte County Jail on charges of violating a restraining order, illegal possession of a firearm, possession of an assault weapon and other charges.

Please see the attached pictures of the firearms seized from VILLASENOR.
