Neither party may vary the scope of services described in Exhibit "B" or responsibilities in Exhibit "C" except as expressly agreed to in writing by the other party. The budgets for direct labor and expenses are based on the services described in Exhibit "B." Any modification of the scope of services may affect direct labor costs and project expenses and must be approved in writing by Partner

2. Performance of Consulting Services. LGC shall perform the services in a diligent, competent and professional manner.

3. Consulting Fee; Reimbursable Expenses.

(a) Partner shall pay LGC a fee for the services provided, as described in Exhibit "D," "Description of Compensation," attached hereto.

(b) LGC shall be entitled to reimbursement for out-of-pocket expenses incurred in the performance of this Agreement, limited to those expenses listed in Exhibit "E," "Reimbursable Expenses," attached hereto, up to the maximum amount set forth in Exhibit "E." The term of this Agreement shall commence and LGC's duties and responsibilities under this Agreement shall begin as of the date first written above and shall continue, as agreed to in the timeline defined in Exhibit "F." This agreement is subject to earlier termination as provided herein, until the services are complete and all compensation and reimbursable expenses are paid to LGC.

This agreement may be terminated at any time by either party for cause. This agreement may be terminated by either party, without cause, upon 30 days written notice to the non-terminating party.

5. Excuse of Performance. LGC's obligation to perform the services specified in this contract shall be excused if the performance is prevented or substantially delayed due to circumstances not caused, in whole or in part, by LGC, including any such circumstances caused by Partner.

6. Independent Contractor. It is the intent of the parties that LGC is and shall remain an independent contractor, and LGC shall (i) comply in all material respects with all the laws, rules, ordinances, regulations and restrictions applicable to the services, and (ii) pay all federal and state taxes applicable to LGC, whether levied under existing or subsequently enacted laws, rules or regulations. The parties hereto do not intend to create an employer-employee or master-servant relationship of any kind.

8. Indemnification. To the fullest extent permitted by law, LGC shall defend, indemnify and hold Partner, its officials, officers, employees, volunteers and agents free and harmless from any and all claims, demands, causes of action, costs, expenses, liability, loss, damage or injury of any kind, in law or equity, to property or persons, including wrongful death, in any manner arising out of, pertaining to, or incident to any negligent acts, errors or omissions, or willful misconduct of LGC, its officials, officers, employees, subcontractors, consultants or agents in connection with LGC's use of Partner premises under this Agreement, including without limitation the payment of all expert

witness fees and attorneys' fees and other related costs and expenses, but specifically excluding consequential damages. LGC shall reimburse Partner and its officials, officers, employees, agents, and/or volunteers, for any and all legal expenses and costs incurred by each of them in connection therewith or in enforcing the indemnity herein provided.

LGC's responsibility for such defense and indemnity obligations shall survive the termination or completion of this Agreement for the full period of time allowed by law.

The defense and indemnification obligations of this Agreement are undertaken in addition to, and shall not in any way be limited by, the insurance obligations contained in this Agreement. ## Exhibit “A” Contracted Performance Measures and Prohibited Activities

LGC has contracted with the Corporation of National and Community Service to implement CivicSpark as an AmeriCorps program. **Fellows can only work on service outlined in performance measures approved by the Corporation for National and Community Service and must abide by Federal guidelines for AmeriCorps program implementation.** Performance measures define how CivicSpark will provide service to local governments by: conducting assessments; implementing planning, research or implementation projects; engaging volunteers; and transferring knowledge to local government staff. The project scope in exhibit A must align with the measures below:

- 1) Capacity Building for Local Governments – Fellows’ direct service hours should be spent building capacity for local government beneficiaries to address their relative needs with regard to specific issues (e.g. climate, water, housing etc.). Fellows will address these needs by assisting one or more local government beneficiary to develop or implement projects that they would otherwise not be able to complete. Capacity building for Fellows will be delivered in 3 stages, including: 1) gap assessments; 2) research, planning, and implementation service projects; and transition of knowledge.
- 2) Volunteer Engagement – All Fellows should have the opportunity to build further capacity by engaging, recruiting, and supporting volunteers. Volunteers may be engaged as either one-time volunteers (e.g. – volunteers to assist for a specific event such as Earth Day or service activities) or as on-going volunteers such as interns).
- 3) Training and Professional Development for Fellows – Fellows can spend up to 20% of their service year (340 of their 1700 total hours) on training. Training includes the 1-week orientation at the start of the service year, mid-year gathering, continued monthly trainings, and professional development and networking opportunities. Training hours ensure that Fellows have the training and tools they need to succeed in their service work and to grow as professionals.

The majority of the work provided by CivicSpark to local governments via direct service only involves the first measure (Capacity Building). The second and third measure is predominantly met through training, service and professional development activities provided to the Fellows by LGC. Some activities that occur while working with local government beneficiaries or other project partners may be considered training and professional development, such as networking events and trainings conducted by or attended in partnership with Partner.

Federal guidelines further restrict certain activities, which cannot be engaged in by CivicSpark Fellows or Supervisors while charging time to the AmeriCorps program, accumulating service or training hours, or otherwise performing activities supported by the AmeriCorps program or the Corporation for National and Community Service, this includes direct fundraising or grant writing which are not allowable activities in CivicSpark. **In addition to only working on contracted performance measure service activities, the following activities are prohibited** (see 45 CFR § 2520.65):

- 1) Attempting to influence legislation;
- 2) Organizing or engaging in protests, petitions, boycotts, or strikes;
- 3) Assisting, promoting, or deterring union organizing;
- 4) Impairing existing contracts for services or collective bargaining agreements;
- 5) Engaging in partisan political activities, or other activities designed to influence the outcome of an election to any public office;

- 6) Participating in, or endorsing, events or activities that are likely to include advocacy for or against political parties, political platforms, political candidates, proposed legislation, or elected officials;
- 7) Engaging in religious instruction, conducting worship services, providing instruction as part of a program that includes mandatory religious instruction or worship, constructing or operating facilities devoted to religious instruction or worship, maintaining facilities primarily or inherently devoted to religious instruction or worship, or engaging in any form of religious proselytization;
- 8) Providing a direct benefit to—
  - a) A business organized for profit;
  - b) A labor union;
  - c) A partisan political organization;
  - d) A nonprofit organization that fails to comply with the restrictions contained in section 501(c)(3) of the Internal Revenue Code of 1986 related to engaging in political activities or substantial amount of lobbying except that nothing in these provisions shall be construed to prevent participants from engaging in advocacy activities undertaken at their own initiative; and
  - e) An organization engaged in the religious activities described above, unless CNCS assistance is not used to support those religious activities;
- 9) Conducting a voter registration drive or using CNCS funds to conduct a voter registration drive;
- 10) Providing abortion services or referrals for receipt of such services; and
- 11) Such other activities as CNCS may prohibit.

Fellows, like other private citizens, **may** participate in the above listed activities **on their own time, at their own expense, and on their own initiative**. However, the AmeriCorps logo **must not** be worn while doing so.

Per Federal Guidelines and LGC policies, CivicSpark Programs and activities must follow equal opportunity employment requirements and be accessible to persons with disabilities by providing reasonable accommodation. In support of this.

- 1) LGC and Partner will comply with Equal Opportunity Employment guidelines.
- 2) LGC and Partner will endeavor to make reasonable accommodations to known physical or mental limitations of qualified AmeriCorps members with disabilities unless the accommodation would impose an undue hardship on the program operations.
- 3) LGC and Partner will endeavor to accommodate the sincere religious beliefs of AmeriCorps Members to the extent such accommodation does not pose an undue hardship on the Organization's operations.
- 4) LGC and Partner will not allow any form of retaliation against individuals who raise issues of equal employment opportunity or reasonable accommodation.

LGC will receive no more than \$29,000, for 1 Fellows for performing the services of this contract.

	<b>Per Fellow Benefits</b>
Costs	\$29,000/Fellow or \$28,500/Fellow for 2 or more.
Project Support	11 Months, 1,300+ project hours
Additional Benefits	Up to 80 additional project-prep hours. Up to 100 volunteer engagement hours.

Invoices will only include the amount due in each given installment. A separate hours to date report is provided for reference each month. Partner must inform LGC prior to the project start if they need invoices to include specific format, tasks, billing codes, or other details.
