**THIS PROFESSIONAL SERVICES AGREEMENT** (Agreement) is entered into on DECEMBER 21, 2021, between the City of Chico, a municipal corporation under the laws of the State of California, (City) and Larry Walker Associates, (Consultant).

**SECTION 1 - DESCRIPTION OF PROJECT**

City desires to undertake that certain project (Project) described in EXHIBIT A, entitled “DESCRIPTION OF PROJECT,” and to engage Consultant to provide the required professional services relating to the Project.

**SECTION 2 - SCOPE OF PROFESSIONAL SERVICES - BASIC; COMPLETION SCHEDULE**

Consultant shall perform those basic professional services in connection with the Project as are set forth more particularly in EXHIBIT B, entitled “SCOPE OF PROFESSIONAL SERVICES - BASIC; COMPLETION SCHEDULE,” and shall complete said professional services in accordance with the completion schedule for professional services as incorporated in EXHIBIT B.

**SECTION 3 - SCOPE OF PROFESSIONAL SERVICES - ADDITIONAL; COMPLETION SCHEDULE**

City and Consultant agree that it may be necessary, in connection with the Project, for Consultant to perform or secure the performance of professional services other than those set forth in EXHIBIT B. In each such instance, Consultant shall advise City, in advance and in writing, of the need for such additional professional services, their cost and the estimated time, if appropriate, required to perform them. Consultant shall not proceed to perform any such required additional professional service until City has determined that such professional service is beyond the scope of the basic professional service to be provided, is required, and has given its written

authorization to perform or obtain it. Each additional professional service so authorized shall constitute an amendment to this Agreement, shall be identified and sequentially numbered as "Amendment No. 1" and so forth, shall be subject to all of the provisions of this Agreement, and shall be incorporated into EXHIBIT B accordingly.

#### **SECTION 4 - COMPENSATION**

Consultant shall be compensated for professional services rendered to City pursuant to this Agreement periodically in the amounts, manner and in accordance with the payment schedule as set forth in EXHIBIT C, entitled "COMPENSATION." Amounts due to Consultant from City for professional service rendered shall be evidenced by the submission to City by Consultant of an invoice, prepared in a form satisfactory to City, setting forth the amount of compensation due for the period covered by it. Each such invoice shall be forwarded to City so as to reach it on or before the 15th day of the month next following the month or months, or other applicable period, for which the professional service invoiced were provided. All such invoices shall be in full accord with any and all applicable provisions of this Agreement. City will make payment on each such invoice within 30 days of receipt of it. However, if Consultant submits an invoice which is incorrect, incomplete, or not in accord with the provisions of this Agreement, then City shall not be obligated to process any payment to Consultant until a correct and complying invoice has been submitted.

#### **SECTION 5 - RESPONSIBILITY OF CONSULTANT**

By executing this Agreement, Consultant warrants to City that Consultant possesses, or will arrange to secure from others, all of the necessary professional capabilities, experience, resources and facilities necessary to provide to City the professional services under this Agreement. In procuring the professional services of others to assist Consultant in performing the professional services set forth at EXHIBIT B or additional professional services under SECTION 3 of this Agreement, Consultant shall not employ or otherwise obtain the professional services of any person or entity known to Consultant or City to have, or be likely to develop during the term of this Agreement, an interest that is personally, or professionally, or financially adverse to any interest of City. Consultant will follow the best current, generally accepted professional practices in performing tests and procedures, making findings, rendering opinions, preparing factual presentations and providing professional advice and recommendations regarding professional services rendered under this Agreement.

#### **SECTION 6 - RESPONSIBILITY OF CITY**

To the extent appropriate to the Project contemplated by this Agreement, City shall:

**6.1** Assist Consultant by placing at Consultant's disposal all available information pertinent to the Project, including previous reports and any other data relative to design and construction of the Project.

**6.2** Guarantee access to and make all provisions for Consultant to enter upon public and private property as required for Consultant to perform Consultant's professional services.

**6.3** Examine all studies, reports, sketches, drawings, specifications, proposals, and other documents prepared and presented by Consultant, and render verbally or in writing as may be

appropriate, decisions pertaining thereto within a reasonable time so as not to delay the progress of the services by Consultant.

**6.4** Designate in writing a person to act as City's representative with respect to the services to be performed under this Agreement. Such person shall have complete authority to transmit instructions, receive information, interpret and define City's policies and decisions with respect to materials, equipment, elements and systems pertinent to Consultant's professional services.

**6.5** Give prompt written notice to Consultant whenever City observes or otherwise becomes aware of any defect in the Project.

**6.6** Furnish approvals and permits from all governmental authorities having jurisdiction over the Project and such approvals and consents from others as may be necessary for completion of the Project.

#### **SECTION 7 - INDEMNIFICATION**

To the fullest extent permitted by law, Consultant shall defend (with counsel of City's choosing), indemnify and hold City, its officials, officers, employees, volunteers and agents free and harmless from any and all claims, demands, causes of action, costs, expenses, liability, loss, damage or injury of any kind, in law or equity, to property or persons, including wrongful death, in any manner arising out of, pertaining to, related to, or incident to any alleged acts, errors or omissions, or willful misconduct of Consultant, its officials, officers, employees, subcontractors, consultants or agents in connection with the services provided under this Agreement, including without limitation the payment of all consequential damages, expert witness fees and attorneys' fees and other related costs and expenses. Consultant shall reimburse City and its officials, officers, employees, agents, and/or volunteers, for any and all legal expenses and costs incurred by each of them in connection therewith or in enforcing the indemnity herein provided.

Consultant's responsibility for such defense and indemnity obligations shall survive the termination or completion of this Agreement for the full period of time allowed by law. The defense and indemnification obligations of this Agreement are undertaken in addition to, and shall not in any way be limited by, the insurance obligations contained in this Agreement. Consultant's obligation to indemnify shall not be restricted to insurance proceeds, if any, received by City, its directors, officials, officers, employees, agents, or volunteers. Consultant's obligation to indemnify, defend and hold harmless the City, its officers, employees and agents for claims involving "Professional Liability" claims involving acts, errors or omissions in the rendering of professional services (as defined in Civil Code section 2782.8(2), specifically, architects (Business & Professions Code section 5500), landscape architects (Business & Professions Code section 5615), professional engineers (Business & Professions Code section 6701), and professional land surveyors (Business & Professions Code section 8701)), shall be limited to the extent caused by Consultant's negligent acts, errors or omissions.

#### **SECTION 8 - INSURANCE**

Any requirements by City that Consultant carry general liability, errors and omissions, or any other type of insurance in connection with the services to be performed and/or professional services to be rendered by Consultant pursuant to this Agreement shall be as set forth in EXHIBIT

CA STD FORM 06/21/19

D, entitled "INSURANCE PROVISIONS."

## **SECTION 9 - GENERAL PROVISIONS**

### **9.1 Access to Records**

Consultant shall maintain all books, records, documents, accounting ledgers, and similar materials relating to services performed for City under this Agreement on file for at least four years following the date of final payment to Consultant by City. Any duly authorized representative(s) of City shall have access to such records for the purpose of inspection, audit and copying at reasonable times, during Consultant's usual and customary business hours. Consultant shall provide proper facilities to City's representative(s) for access and inspection. Consultant shall be entitled to reasonable compensation for time and expenses related to such access and inspection activities, which shall be considered to be an additional professional service to City, falling under the provisions of SECTION 3 of this Agreement.

### **9.2 Assignment**

This Agreement is binding on the heirs, successors, and assigns of the parties hereto and shall not be assigned by either City or Consultant without the prior written consent of the other.

### **9.3 Changes to Scope of Services - Basic Professional Services**

City may at any time, upon a minimum of 10 days written notice, modify the scope of basic professional services to be provided under this Agreement. Consultant shall, upon receipt of said notice, determine the impact on both time and compensation of such change in scope and notify City in writing. Upon agreement between City and Consultant as to the extent of said impacts to time and compensation, an amendment to this Agreement shall be prepared describing such changes. Execution of the amendment by City and Consultant shall constitute the Consultant's notice to proceed with the changed scope.

### **9.4 Compliance with Laws, Rules, Regulations**

All professional services performed by Consultant pursuant to this Agreement shall be performed in accordance and full compliance with all applicable Federal, State, or City statutes, and any rules or regulations promulgated thereunder.

### **9.5 Conflict of Interest Code Applicability**

If City's City Manager has determined that one or several of Consultant's Principal(s) or Project Manager(s) are subject to the provisions of Section 2R.04.180 of the Chico Municipal Code (the City's Conflict of Interest Code), then each such person will be required to comply with the provisions of said Code in connection with the professional services they render to the City under this Agreement. In such event, City's requirements are set forth in EXHIBIT E, entitled "CONFLICT OF INTEREST PROVISIONS," to this Agreement.

### **9.6 Exhibits Incorporated**

All Exhibits attached to and referred to in this Agreement are hereby incorporated by this reference.

**9.7 Independent Contractor**

City and Consultant agree that the relationship between them created by this Agreement is that of an employer-independent contractor. Consultant shall be solely responsible for the conduct and control of the services performed under this Agreement. Consultant shall be free to render professional consulting services to others during the term of this Agreement, so long as such activities do not interfere with or diminish Consultant's ability to fulfill the obligations established herein to City.

**9.8 Integration; Amendment**

This Agreement represents the entire understanding of City and Consultant as to those matters contained herein. No prior oral or written understanding shall be of any force or effect with respect to those matters covered in it. This Agreement may not be modified or altered except by amendment in writing signed by both parties.

**9.9 Jurisdiction**

This Agreement shall be administered and interpreted under the laws of the State of California. Jurisdiction of litigation arising from this Agreement shall be in that state. If any part of this Agreement is found to be in conflict with applicable laws, such part shall be inoperative, null, and void insofar as it is in conflict with said laws, but the remainder of the Agreement shall continue to be in full force and effect.

**9.10 Notice to Proceed; Progress; Completion**

Upon execution of this Agreement by the parties, City shall give Consultant written notice to proceed with the services. Such notice may authorize Consultant to render all of the professional services contemplated herein, or such portions or phases as may be mutually agreed upon. In the latter event, City shall, in its sole discretion, issue subsequent notices from time to time regarding further portions or phases of the services. Upon receipt of such notices, Consultant shall diligently proceed with the services authorized and complete it within the agreed time period.

**9.11 Ownership of Documents**

Title to all documents, designs, drawings, specifications, and the like with respect to services performed under this Agreement shall vest with City at such time as City has compensated Consultant, as provided herein, for the professional services rendered by Consultant in connection with which they were prepared.

**9.12 Subcontracts**

Consultant shall be entitled, to the extent determined appropriate by Consultant, to subcontract any portion of the services to be performed under this Agreement. Consultant shall be responsible to City for the actions of persons and firms performing subcontract services. The subcontracting of services by Consultant shall not relieve Consultant, in any manner, of the obligations and requirements imposed upon Consultant by this Agreement.

**9.13 Term; Termination**

The term of this Agreement shall commence upon City's issuance to Consultant of a notice to proceed for all or a portion of the services, as hereinabove provided, and shall end upon

City's acceptance and payment for all or such portion of the services as was authorized by such notice, including any and all retentions. Notwithstanding the foregoing, City may, in its sole discretion, terminate this Agreement at any time and for any reason whatsoever by giving at least 10 days prior written notice of such termination to Consultant. In this latter event, Consultant shall be entitled to compensation for all professional service rendered and services performed for City to the date of such termination.

**9.14 Notice**

Any notices required to be given pursuant to this Agreement shall be deemed to have been given by their deposit, postage prepaid, in the United States Postal Service or, alternatively, by personal delivery or overnight courier service addressed to the parties as follows:

To City:	City Manager City of Chico P. O. Box 3420 Chico, CA 95927-3420	or	City Manager City of Chico 411 Main Street Chico, CA 95928
----------	---	----	---

To Consultant: Larry Walker Associates  
Attn: Gorman Lau, P.E.  
1480 Drew Avenue Suite 100  
Davis, CA 95618

**SECTION 10 - SPECIAL PROVISIONS**

This Agreement shall include all special provisions, if any, as are set forth on EXHIBIT F, entitled "SPECIAL PROVISIONS."

IN WITNESS WHEREOF, the parties hereto have executed this Agreement the date first set forth above.

## EXHIBIT B

### SCOPE OF PROFESSIONAL SERVICES

#### Scope of Professional Services

To support the City with the update of its local limits, LWA proposes the following scope of services:

- Task 1: Project Coordination
- Task 2: Conduct Kick-off Meeting and Site Visit
- Task 3: Review Existing Data and Information
- Task 4: Prepare Local Limits Sampling and Analysis Plan
- Task 5: Provide Local Limits Sampling Support
- Task 6: Update Local Limits

Each task is described in detail below.

#### **Task 1. Project Coordination**

LWA will provide on-going project management and coordination, which includes regular communication with the City regarding the project schedule, budget, and other issues related to the administration of this work effort.

#### **Task 2. Conduct Kick-off Meeting and Site Visit**

To effectively initiate the project, LWA will prepare for and participate in a kick-off meeting with City staff. The purpose of the meeting is to confirm the project understanding, discuss the project approach and schedule, identify project responsibilities and persons of contact, and gather relevant information and data needed as part of this effort. LWA will prepare and distribute an agenda for the meeting. As part of the kick-off meeting, LWA will also conduct a site visit of the WPCP to understand the source(s) of data and identify existing and potential sampling locations for the study. LWA will follow the City's health and safety protocols for the kick-off meeting and site visit.

### **Task 3. Review Existing Data and Information**

LWA will review relevant background information and data necessary to conduct a pollutant screening. The data and information to be reviewed will include, at a minimum, recent annual reports, current industrial user survey, recent industrial monitoring data, WPCP data, collection system data, and process unit design capacities. LWA anticipates that the City will provide this information in electronic format (e.g., Excel, Word, PDF).

### **Task 4. Prepare Local Limits Sampling and Analysis Plan**

LWA is aware that some local limits monitoring will be needed to fill data gaps to update the local limits as not all pollutants of concern or sampling locations are regularly monitored under NPDES permit requirements. Following Local Limits Guidance, LWA will prepare a Local Limits Sampling and Analysis Plan to collect additional data needed to update and/or develop local limits. For a facility similar in size to the WPCP, Local Limits Guidance generally recommends sampling be conducted for a minimum of two to fourteen days depending on the pollutant and sampling location. Typical locations for which data are needed for the local limits update include the following:

- **Collection system** – At least one representative collection system trunk line that does not contain industrial users is sampled to characterize “uncontrollable” pollutant sources and loads. This information is necessary to accurately calculate the maximum allowable industrial loading (MAIL), which is the maximum pollutant loading that can be accepted at the headworks from industrial (or “controllable”) sources.
- **Headworks** – The influent is sampled to determine pollutants of concern and provide data to conduct headworks loading analyses and calculate treatment process removal efficiencies.
- **Primary Treatment Effluent** – The primary treatment effluent is sampled to provide data to calculate allowable headworks loadings (AHLs) to protect biological treatment processes.
- **Final Effluent** – The final effluent is sampled to provide data to calculate treatment plant removal efficiencies and to calculate AHLs.
- **Anaerobic Digester** – The anaerobic digester is sampled to provide data to convert digester inhibition levels into corresponding AHLs.
- **Biosolids** – The biosolids are sampled to develop AHLs to meet biosolids disposal regulations.

LWA will prepare and submit a draft Local Limits Sampling and Analysis Plan to the City for review and comments. In developing the Local Limits Sampling and Analysis Plan, LWA will consider all relevant historical data to minimize the amount of additional that will be needed. The Local Limits Sampling and Analysis Plan will identify the pollutants to be sampled, the sampling locations, number of samples to be collected and sample bottle types and preservation, expectations of the detection levels from the analytical laboratory, analytical methods, and quality assurance/quality control (QA/QC) requirements, checklists for daily sampling, and general guidelines for representative sampling. Any sampling conducted as part of this effort must adhere to the City’s applicable health and safety requirements.

LWA will participate in a teleconference or video conference with City staff to discuss the draft Local Limits Sampling and Analysis Plan and address questions or comments that arise. Based on a consolidated set of comments received, LWA will prepare a final Local Limits Sampling and Analysis Plan.

**Task 5. Provide Local Limits Sampling Support**

Local Limits Guidance recommends that all sampling be conducted under normal operating conditions during dry weather to mitigate the impacts of inflow and infiltration. Sampling is also expected to follow the flow of the treatment process based on the hydraulic residence time (e.g., effluent sampling will occur after influent sampling and lagged, to the extent practicable, by the hydraulic residence time). It is recommended that at least two people conduct sampling to adhere to clean sampling techniques and for general safety.

To support the City with local limits sampling efforts, LWA will provide one LWA staff person while the City provides one staff person to conduct all sampling activities. LWA will coordinate analyses and sample delivery with the analytical laboratory. The level of effort for this task assumes that only seven consecutive days of sampling is required. This scope of services and cost estimate do not include local limits analytical costs. Those costs will be borne directly by the City through their laboratory services agreement.

**Task 6. Update Local Limits**

LWA will prepare an update to the City's local limits, following Local Limits Guidance, using site-specific data, historical data, and data obtained from local limits monitoring. LWA will conduct QA/QC checks on the data and data quality before preparing the local limits calculations. The local limits will be based on applicable regulatory requirements and collection system, and WPCP performance data. LWA will develop AHLs for each applicable requirement and select the lowest AHL, which will become the MAHL for each pollutant and will develop the MAILs and present preliminary uniform local limits. LWA will prepare a draft Local Limits Report presenting the proposed local limits and technical justification for their establishment. LWA will submit the draft Local Limits Report to the City for review.

LWA will meet with City staff to discuss the draft Local Limits Report, comments on the draft report, and concerns with implementation and consideration of industrial users, including using concentration- or mass-based local limits, and next steps. LWA will prepare a final draft Local Limits Report that can be submitted to the Central Valley Regional Water Quality Control Board (Water Board) for review. Upon review and comments from the Central Valley Water Board, LWA will prepare a final Local Limits Report. The final local limit can then be incorporated into the City's Municipal Code.

**PROJECT SCHEDULE AND COST ESTIMATE**

The proposed project schedule is presented in the table below. The proposed schedule is based on LWA receiving the Notice to Proceed by November 1, 2021.

<b><u>Task</u></b>	<b><u>Task Description</u></b>	<b><u>Anticipated Schedule for Completion</u></b>
1.	Project Coordination	On-going
2.	Conduct Kick-off Meeting/Site Visit	November 2021
3.	Review Existing Data and Information	December 2021
4.	Prepare Local Limits Sampling & Analysis Plan	December 2021
5.	Provide Local Limits Sampling Support	(1)
6.	Update Local Limits	3 Months after Task 5

- (1) Based on Local Limits Guidance, sampling should occur during normal, dry weather conditions. Due to the timing of this effort, it is possible that local limits sampling may not occur until Spring 2022.
- (2) Following local limits sampling, the standard turnaround time for analytical laboratories is one month.

The estimated level of effort and cost estimate to perform the proposed scope of services is presented in the table below. This cost estimate for Task 5 assumes that only seven consecutive days of sampling are required. The scope of services will be conducted on a time and materials basis according to LWA’s current standard billing rate schedule, which is attached. Other direct costs include travel, portable composite sampler rentals, tubing and strainer purchases, and other necessary sampling materials purchases. If the City is able to provide some or all of the necessary sampling equipment, these direct costs will not be charged. As discussed previously, this cost estimate does not include the local limits analytical costs.

### EXHIBIT D

#### INSURANCE PROVISIONS

##### General Liability Insurance

Consultant/Contractor shall obtain commercial general liability insurance (occurrence policy form) from one or more U.S. domiciled insurance companies licensed to do business in the State of California with an A.M. Best Company rating of "B" or better or, in the alternative, an unlicensed U.S. domiciled company or companies with an "A" rating, which provides coverage for bodily injury, personal injury and property damage liability in the amount of at least \$1,000,000 per occurrence, and \$2,000,000 in the aggregate, with a maximum policy deductible of \$5,000, or as approved by the City's Human Resources and Risk Management Office.

It shall be a requirement under this agreement that any available insurance proceeds broader than or in excess of the specific minimum Insurance coverage requirements and/or limits shall be available to the Additional Insured. Furthermore, the requirements for coverage and limits shall be (1) the minimum coverage and limits specified in this Agreement; or (2) the broader coverage and maximum limits of coverage of any Insurance policy or proceeds available to the named Insured, whichever is greater.

The insurance coverage required herein shall be evidenced by a certificate of insurance with policy endorsements and shall be executed by an authorized official of the insurer(s). In addition to the limits of coverage described above, the certificate of insurance shall provide that the insurer shall provide to City at least 30 days prior notice of cancellation or material change in coverage, or 10 days prior notice of cancellation for non-payment.

Consultant/Contractor acknowledges and agrees that City of Chico, its officers, boards and commissions, and members thereof, its employees and agents, are covered as additional insureds with respect to any liability arising out of the activities of Consultant/Contractor as the named insured. Such additional insured status shall be evidenced by a policy endorsement executed by an authorized official of the insurer(s). A blanket endorsement which provides additional insured status to any person or organization with whom Consultant/Contractor, as named insured, has entered into a written contract, such as this Agreement, shall satisfy this

requirement.

The insurance coverage required herein shall be primary and non-contributory insurance with respect to the City of Chico, its officers, officials and employees. Any insurance or self-insurance maintained by the City of Chico, its officers, officials or employees shall be in excess of the insurance afforded to the named insured by the insurance coverage required herein and shall not contribute to any loss. Such primary insurance status shall be evidenced by a policy endorsement issued by an authorized official of the insurer(s), and shall be at least as broad as CG 20 01 04 13. In the alternative, a letter issued by an authorized official of the insurer(s) and copies of the pertinent page(s) of the policy shall satisfy this requirement.

The limits of Insurance required in this agreement may be satisfied by a combination of primary and umbrella or excess Insurance. Any umbrella or excess Insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and non-contributory basis for the benefit of City of Chico (if agreed to in a written contract or agreement) before City of Chico's self-insurance shall be called upon to protect it as a named insured.

All self-insured retentions (SIR) must be disclosed to the City's Human Resources and Risk Management Office for approval and shall not reduce the limits of liability. Policies containing any (SIR) provision shall provide or be endorsed to provide that the SIR may be satisfied by either the named Insured or City of Chico. City of Chico reserves the right to obtain a full certified copy of any Insurance policy or endorsements. Failure to exercise this right shall not constitute a waiver of right to exercise later.

#### Automobile Liability Insurance

Consultant/Contractor shall obtain automobile liability insurance from one or more U.S. domiciled insurance companies licensed to do business in the State of California with an A.M. Best Company rating of "B" or better which provides coverage for bodily injury, personal injury, and property damage liability in the amount of at least \$500,000 combined single limit for each occurrence. Evidence of such coverage shall be maintained by Consultant/Contractor and provided to City upon request.

#### Subconsultant/Subcontractor Insurance

Consultant/Contractor agrees to include with all subconsultants/subcontractors in their subcontract the same requirements and provisions of this agreement including the indemnity and Insurance requirements to the extent they apply to the scope of the subconsultant/subcontractor's work. Subconsultant/Subcontractor agrees to be bound to Consultant/Contractor and City of Chico in the same manner and to the same extent as Consultant/Contractor is bound to City of Chico under the agreement. Subconsultant/Subcontractor further agrees to include the same requirements and provisions of this agreement, including the indemnity and Insurance requirements, with any Sub-subconsultant/Sub-subcontractor to the extent they apply to the scope of the Sub-subconsultant/Sub-subcontractor's work.

A copy of the City of Chico Insurance Provisions will be furnished to the subconsultant/subcontractor upon request. Evidence of such coverage shall be maintained by Consultant/Contractor and provided to City upon request.

#### Workers' Compensation Insurance

Consultant/Contractor shall, at Consultant/Contractor's expense, purchase and maintain in full force and effect workers' compensation insurance as required by Federal and State of California law. Consultant/Contractor shall also require all of Consultant's subconsultants/subcontractors to maintain this insurance coverage. Proof of workers' compensation insurance or other documentation acceptable to City evidencing such insurance coverage shall be provided by Consultant/Contractor or Consultant/Contractor's subconsultants/subcontractors to City upon request.

#### Subrogation

Consultant/Contractor shall agree to waive all rights of subrogation against City for losses arising from Services performed by the Consultant/Contractor or Consultant/Contractor's subconsultants/subcontractors for City under this Agreement.

#### Indemnity

Consultant/Contractor/Subconsultant/Subcontractor's responsibility for such defense and indemnity obligations shall survive the termination or completion of this agreement for the full period of time allowed by law.

The defense and indemnification obligations of this agreement are undertaken in addition to, and shall not in any way be limited by, the insurance obligations contained in this agreement.

#### Professional Liability Insurance

Consultant/Contractor shall obtain professional liability (errors and omissions) insurance, with a minimum \$1,000,000 limit, from one or more U.S. domiciled insurance companies licensed to do business in the State of California with an A.M. Best Company rating of "B" or better providing coverage for services rendered to City under this Agreement.

Said insurance coverage shall be evidenced by a certificate of insurance which shall be executed by an authorized official of the insurer(s). In addition to the limits of coverage described above, the certificate of insurance shall provide that the insurer shall provide to City at least 30 days prior notice of cancellation or material change in coverage, or 10 days prior notice of cancellation for non-payment.
