ANN SCHWAB

Age: 59

Occupation: Councilmember/Nonprofit Director

It has been an honor to serve as your Chico City Councilmember for the past twelve years. Serving as mayor for two terms from 2008-2010 and 2010-2012, I've represented you on city, county and regional committees. My knowledge, experience, and leadership has strengthened Chico as an exceptional place to live. With your support, I will continue to sustain Chico's values and be your voice for a thriving economy, environmental leadership, and vibrant neighborhoods.

I'm proud of our work to distinguish the City of Chico as an environmental leader. I developed the City's Climate Action Plan and adopted the 2030 General Plan, emphasizing sustainable development and preserving the Greenline. As chair of the six-county Northern Sacramento Valley Integrated Water Management Board, I advocate to keep our water here in Chico.

My top priority is ensuring we have outstanding police and fire departments keeping Chico's neighborhoods safe. I am responsive to neighborhood concerns. I reach out to ensure all voices are heard.

I believe in community service. I am Program Director for Community Action Volunteers in Education (CAVE), Chico Velo Cycling Club President, and Park Watch volunteer. I understand the importance of small business and value downtown as the heart of our community. My husband, Budd Schwab, and I have owned and operated Campus Bicycles for 36 years.

Together we can sustain Chico's values.
