Signature of candidate: Loretta Ann Torres

FOR MEMBER OF CHICO CITY COUNCIL

LORETTA ANN TORRES

AGE 73

I grew up in Chico, graduated from Chico High, and attended Chico State, with the goal of becoming a math teacher, instead I married a farmer and moved one county away.

I did the accounting, the payroll and the budgets for our family partnerships and one corporation.

I watched as Chico's City Council made choices I disagreed with: less business growth, higher taxes, less revenue, and unaccounted for spending.

After I moved back to Chico and my husband died; I decided that I could direct my focus to setting Chico on a firm financial footing. I have the time and the focus to do so.

I taught Sunday school for 38 years and wrote a book about my husband's rare illness. I hope to persuade others that nurturing businesses and helping those less fortunate go hand and hand with a balanced budget.

My background: Farmer, businesswoman, teacher, author and caregiver, with the added bonus: I have seven grandchildren living within a 10 mile radius of Chico; and a burning desire to keep the Chico I love, intact for them.
