JOVANNI TRICERRI

Occupation: Businessman/Nonprofit Consultant

Like yours, my family loves Chico! Over the last several years, I have worked with many of you in a community-wide effort of civic engagement - believing that Chico works best when everyone contributes in their own way to its success. That's what makes Chico a great place to live and that's why I'm running for City Council.

I have worked effectively with a wide spectrum of businesses and community organizations to create grassroots solutions to our city's challenges. For example, in 2014 I co-authored the Police Staffing Plan out of my commitment to ensure that Chico is a safe place for everyone. That plan resulted in a 10% drop in crime just in the last year. Imagine what will happen with a City Council committed to these types of community solutions and results!

I am committed to working with each of you to ensure businesses have the support they need, our city's resources are stewarded responsibly and our City Council works for everyone in our community.

My approach to problem solving is collaborative, nonpartisan, and focused on solutions. Join our effort to make Chico a safe place to raise a family, an ideal location for business and a premier place to live!
