Candidate Statement

ALEXANDRIA "ALEX" BROWN
Occupation: Business Developer/Marketer
Age: 27

My desire to effect real and lasting change in the field of behavioral health and wellness led me to a Master's Degree in Social Work, then a career as an Administrator at CSU, Chico. With a background in social services and prevention, I view behavioral health service needs, homelessness, and our current housing crisis as interconnected issues that we can positively impact with sound policy.

I support using evidence-based practices to generate policy for affordable housing, cannabis, and public safety that will be sustainable and beneficial to the future of Chico. I am committed to expanding our definition of public safety to include police/first responders as well as other service providers, and fully training our police force in crisis intervention and de-escalation techniques.

Currently a professional business developer and marketer, I have combined my experience in social services with my creative skills in the private sector. I represent a new generation of leadership in Chico that believes in a City Council that is willing to listen to and work collaboratively with its constituents.

I would be honored to receive your vote for Chico City Council on November 6, 2018.
