

**CITY OF CHICO
CHICO CITY COUNCIL
PUBLIC HEARING NOTICE**

March 26, 2021

NOTICE IS HEREBY GIVEN that the City of Chico City Council will conduct a public hearing on **Tuesday, April 6, 2021, at 6:00 p.m.** regarding the following project. Due to continued COVID restrictions, the meeting will be an online remote Zoom meeting.

Consideration of the Final Vegetative Fuels Management Plan and Associated Programmatic Environmental Impact Report (SCH# 2020090170). – The Vegetative Fuels Management Plan (VFMP) outlines a framework for managing fuel loads and vegetation on City-owned properties, encompassing approximately 6,400 acres, to reduce the likelihood of a catastrophic wildfire. Implementation of the VFMP would involve thinning, pruning, grazing, prescribed burning, removal, herbicide use, and other modification of trees and vegetation, particularly invasive nonnatives, within the VFMP area. The VFMP also identifies and describes several proposed key projects at specific locations that serve as examples of the kinds of vegetation management activities the City may contemplate in the future. Although the initial focus of this Plan was to improve wildfire safety and fire resiliency, the Plan also addresses other important values such as native biodiversity (i.e., parklands free from invasive species), wildlife habitat, recreation, community safety, Chico heritage and historic values, and ecosystem values such as water supply, conveyance and quality.

At its March 8, 2021 Special Meeting, the Bidwell Park and Playground Commission (BPPC) recommended that the City Council (1) certify the Program Environmental Impact Report (PEIR) prepared for the VFMP; and (2) adopt the Final VFMP; At its meeting, the City Council will consider the BPPC recommendations and take action on the PEIR and the Final VFMP. Questions regarding this project may be directed to Park & Natural Resources Manager Linda Herman, who can be contacted at (530) 896-7241 or at linda.herman@chicoca.gov.

In accordance with the California Environmental Quality Act, a PEIR has been prepared by the City to consider potential impacts associated with implementation of the VFMP, and to provide mitigation measures that will reduce potential impacts to less than significant levels. The Draft PEIR was released for public and agency review on December 18, 2020, and the review period ended on February 2, 2021 (a 46-day review period). Comments were received and responses have been developed as part of the Final PEIR. Copies of the Final VFMP, and the Draft and Final PEIR are available for review in the City Public Works Operations & Maintenance Department, 965 Fir Street, Chico, and on the City of Chico website at <https://chico.ca.us/post/vegetative-fuels-management-plan>

Interested parties are encouraged to provide written comments via email at parkpubliccomments@chicoca.gov prior to the public hearing to allow distribution to the Council. All written materials not submitted by email must be submitted in advance of the public hearing in person to the City of Chico, Park Division, 965 Fir Street, or mailed to City Park Division, P.O.

Box 3420, Chico, CA 95927. Written materials should refer to the specific public hearing item listed above.

Any person may also participate and be heard at the public hearing regarding this item using the *Engaged Chico* civic engagement program prior to the meeting, which can be accessed through the City's website at the link listed at: <https://chico-ca.granicusideas.com/meetings>. The *Engaged Chico* commenting period closes at 4:30 p.m.

The public may also participate during the remote Zoom meeting. The City Council agenda, including staff reports and how to access this remote meeting, will be available prior to the Council meeting on the City's website at. http://chico-ca.granicus.com/ViewPublisher.php?view_id=2

In accordance with Government Code Section 65009, any person who challenges the action of the City Council in court, may be limited to raising only those issues that were raised at the public hearing described in this notice, or in written correspondence delivered to the City Council at, or prior to, the public hearing.
