## **AIRPORT BIKE PATH CLOSED DURING CONSTRUCTION OF THE COHASSET ROAD WIDENING PROJECT**

**(Chico, CA – October 15, 2021 –)** The Airport Bike path on the west side of Cohasset Road from Eaton Road to Sheep Hollow Bridge near the City Compost Facility has been closed due to construction of the Cohasset Road Widening Project.

As part of Phase 3 of the project, the existing bike path will be realigned and improved. Construction necessitates the closure while the work is being conducted. The path is anticipated to reopen in late January 2022.

Phase 3 of the Cohasset Road Widening Project will widen and improve Cohasset Road from two to four lanes from the Sycamore Creek Bridge to Airpark Boulevard and include intersection and bike path lighting as well as bike path, drainage, and landscaping improvements.

The City acknowledges the inconvenience and appreciates the community's cooperation and patience with the bike path closure during this time. For more information on the project, please visit the project webpage at <https://chico.ca.us/cohasset-road-widening>.

For media inquiries, please contact Lynda Gizzi, Public Works Department Public Information Officer, at (530) 879-6908.
