## **CITY OF CHICO INVITES COMMUNITY TO ATTEND BUILDING ELECTRIFICATION WORKSHOP**

**(Chico, CA – March 30, 2021)** The Climate Action Commission will be holding a Building Electrification Workshop during its regularly scheduled meeting on Thursday, April 8, 2021, at 6:00 p.m.

The City's Climate Action Plan Update consultant, Rincon Consultants, as well as additional guest speakers will present pros and cons of building electrification. Community members will have an opportunity to share their thoughts with the Commission and City Staff. A representative from Pacific Gas & Electric (PG&E) will discuss electrification reliability considerations and the ability to meet future demand. Additionally, a local developer will share a recent experience in building an all-electric residential project in Chico.

This is an opportunity to have a balanced discussion regarding building electrification. The meeting will be held virtually; please use the following information to attend the event:
