CITY PLAZA TEMPORARY CLOSURE

(Chico, CA – October 21, 2021 –) The City of Chico will temporarily close the City Plaza beginning Monday, October 25, 2021. The closure will occur to facilitate maintenance and repair work in preparation for, and the operations of, the Chico Ice Rink in the Plaza along with other holiday events.

Work conducted in the City Plaza during this time will include maintenance and cleaning of the stage, bathrooms, and general use areas, which will be followed by the installation and daily operation of the seasonal ice rink.

During the preparation period and non-event hours, the Plaza and the public restroom facilities will be closed to foot traffic for the safety of both the public and Public Works Department staff, as well as for the security of the ice rink materials and equipment. During the operational hours of the ice rink and additional holiday events, access to the City Plaza will be open at the corners of Broadway Street, 5th Street, Main Street, and 4th Street. Crosswalk access at these corners will remain open to pedestrians at all times.

The City appreciates the community's patience while this work is being conducted.
