## **CITY OF CHICO INVITES COMMUNITY TO PARTICIPATE IN HOUSING ELEMENT SURVEY**

(Chico, CA – March 8, 2021–) The City of Chico invites the community to participate in the Housing Element Survey. The Housing Element is part of the City’s General Plan and provides an analysis of the community’s housing needs for all income levels, as well as strategies to provide for those housing needs.

The Housing Element is updated on an eight-year cycle and is a major planning effort that demands significant community outreach and input. This survey is an opportunity for people who live and work in Chico to participate in the Housing Element update process and give their input. All community members are encouraged to participate in this important planning process.

The public is invited to visit the Housing Element Update website at [www.ChicoHousingElement.com](http://www.ChicoHousingElement.com) for more details about the Housing Element process and to take the survey before March 31<sup>st</sup>.

For media inquiries, please contact Lynda Gizzi, Public Information Officer, at (530) 896-7204.
