*****MEDIA ALERT*****

COHASSET ROAD AND AIRPARK BOULEVARD INTERSECTION TO BE CLOSED

(Chico, CA – May 5, 2022 –) The Airpark Boulevard and Cohasset Road intersection will be closed beginning **Wednesday, May 10, 2022**, for continuing construction of the Cohasset Road Widening Project. The intersection is anticipated to reopen in early June 2022.

Phase 3 of the Cohasset Road Widening Project includes widening Cohasset Road from two to four lanes from Sycamore Creek Bridge to Airpark Boulevard, and includes intersection improvements, bike path realignment and lighting, installing new drainage systems to prevent flooding, and installing planting and irrigation improvements throughout Cohasset Road. Phase 3 construction began in October 2021.

Motorists and bicyclists are advised to utilize both Boeing and Ryan Avenues as alternative routes to access the Chico Municipal Airport and surrounding business areas.

The City acknowledges the inconvenience and appreciates the community's cooperation and patience with the intersection closure during this time. For more information on the project, please visit the project webpage at <https://chico.ca.us/cohasset-road-widening>.

For media inquiries, please contact Lynda Gizzi, Public Works Department Public Information Officer, at (530) 353-5816.
