I love Chico! I moved to District One the summer before 4th grade. We did not have much money growing up, so I got my first job delivering newspapers on my bicycle in the Shasta Avenue neighborhoods. I developed a genuine pride in our community at a young age.

I have served our community as a public servant for more than a decade. I have answered your 9-1-1 calls, managed property and evidence rooms, and supervised public safety civilians. It has been my honor to serve you in our community.

I am running for Council to bring unity to our incredible city. The political division and frequent bickering in our chambers must be stopped. We must build our community by putting away political grudges and making informed decisions.

I am not running for office to impose my political will on our community. I believe in fully understanding all sides of a debate and making wise, informed decisions based on evidence. I promise to fulfil my oath of office without prejudice.

Together we can end the divisive politics of the Trump era. We can Do Better Together! I thank you for your vote and will be honored to serve you.
