*****MEDIA ALERT*****

COHASSET ROAD - AIRPARK BOULEVARD AND BOEING AVENUE INTERSECTIONS TO BE CLOSED

(Chico, CA – June 22, 2022 –) The intersections of Cohasset Road and Boeing Avenue and Cohasset Road and Airpark Boulevard will be closed beginning **Monday, June 27, 2022**, for continuing construction of the Cohasset Widening Project. The Cohasset Road and Boeing Avenue intersection is anticipated to reopen late July 2022. The Cohasset Road and Airpark Boulevard intersection is anticipated to reopen in August 2022.

Phase 3 of the Cohasset Road Widening Project includes widening Cohasset Road from two to four lanes from Sycamore Creek Bridge to Airpark Boulevard, and includes intersection improvements, bike path realignment and lighting, installing new drainage systems to prevent flooding, and installing planting and irrigation improvements throughout Cohasset Road. Phase 3 construction began in October 2021.

Motorists and bicyclists are advised to utilize Ryan Avenue as an alternative route to access the Chico Municipal Airport and surrounding business areas.

The City acknowledges the inconvenience and appreciates the community's cooperation and patience with the intersection closure during this time. For more information on the project, please visit the project webpage at <https://chico.ca.us/cohasset-road-widening>.

For media inquiries, please contact the Public Works Department Engineering department, at (530) 879-6900.
