The City of Chico is seeking public participation in the development of the City's 2023-24 Annual Plan for the use of federal housing and community development funds. The Annual Plan sets forth the City's plans for the expenditure of Community Development Block Grant (CDBG) and Home Investment Partnerships (HOME) program funds that will be awarded to the City by the federal department of Housing and Urban Development (HUD).

The City of Chico is entitled to receive an annual award of these funds in an amount determined by the federal government. The City has not yet received any estimates from HUD regarding its 2023-24 awards.

The planned use of CDBG and HOME funds is described in the City of Chico's adopted 2020 - 2024 Consolidated Plan. Each year, the City must adopt an Annual Plan to implement the goals of the Consolidated Plan in the coming year. The Annual Plan also serves as the City's annual application to the federal government for CDBG & HOME funds. The 2023-24 Annual Plan will cover the period from July 2023 through June 2024.

In the past, the City has used CDBG and HOME funds for public improvements, public facilities, public services, housing rehabilitation, property acquisition, rental assistance, relocation, economic development, administration, rental housing construction, rental assistance and mortgage subsidy.

There will be several opportunities for the public to participate in planning for the use of these funds:
