MEASURE S Ballot Argument rebuttal:

Term limits should apply to the President, Congress, State Assembly, State Senate, Governor, County Supervisors and City Council Members. Don't allow politicians to exempt themselves.

By having councilmembers cycle out, voters will actually receive more choices than just voting on the status quo candidates.

Elected positions should be temporary service to the PUBLIC interest, not a long career spanning decades.

Stagnation is never a good thing. Vote "YES" for reasonable Term Limits.
