100 Main St. Red Bluff CA 96080

As the Red Bluff-Tehama Chamber of Commerce, we believe the availability of reliable air service for our community plays an essential part to the health of our economy, and to continued economic growth. We support efforts that will improve our community and our quality of life. We have met with representatives from the Airport to discuss these air service pursuits and are excited about the opportunity to participate in this drive to return air service to the Chico Regional Airport.

The Red Bluff-Tehama Chamber of Commerce would like to endorse our support of the City of Chico's efforts in returning Air Service to our community. By endorsing this effort, we are joining the growing collection of community members that understand the need for air service at the Chico Regional Airport.

Sincerely,
